Subject: RE: Panhandle Patriot Club threat

Victoria,
Thank you for sending that information. We are aware of and have been assessing threats, comments and various postings from the groups over the last few weeks.

At this point we are working with the local FBI here as well as our surrounding agencies to develop a plan for the CDA June 11th event. Our Chief and command staff also met with a couple members from the Panhandle Patriots to create a rapport and to help guide them with their plans for June 11th.

I have copied Max Dodgion into this email, he is assisting with the coordination and threat assessments of the event here in CDA. He is a great contact for any additional information that you might need as your event gets closer. Max offered to go over our event details with you as well, once it is over.

If you come across any other information, or tips feel free to send them. We will inform you if we come across any information that references your event as well.

Thank you,

Sara Cummings

Good morning. I received a tip from Leif Sermon with the FBI. [REDACTED]

[REDACTED] The tip was that the Panhandle Patriot Club threatened to physically assault individuals taking part in the pride parade in Idaho Falls on 6/25/2022. The threat was allegedly stated on a video made by the club. The allegedly further stated, "If gays want a war, we'll give them a war". Leif stated that the reporting party stated they would also attack the pride parade in Coeur D'Alene on June 11.

I actually just found the video on YouTube regarding Coeur D'Alene.
