Hi Aurea,

The costs for this summit are outrageous from the vendors.

With ten minutes of setup it would have been \$10,200 which is just over the \$10k threshold. At this point we would have to post the job on FedBizOps.gov for so many days prior to and we don't have the time for that. I did bid it out and AP is the lowest cost (still high), but cut the setup back to 5 mins for NH and LN. I kept 10 minutes for EN since it's the first hit of the day.

This will keep it at \$8900 total for both days.

Thanks,
Steve

Hi Setareh,

Here is the response from APTN. Our correspondent will be able to come-and-go without interference from security; however navigating through public traffic will be the main challenge:

No credentials are needed as we are outside the secure perimeter

*This is the same location where all US nets are doing their stand ups
Expect lots of traffic Southern Blvd but no need for accreditation (Side note: - i would suggest to avoid
using S Ocean Blvd to reach the feed point on Bingham island as traffic will be terrible)*

The times listed below are available, including a ten-minute setup prior to the hit times.

Thanks,
Steve

Palm Beach Police Department & Secret Service are kicking all media off Bingham Island.

We have brokered a deal with a private property owner to base our operation at the following address beginning Thursday 04/06 onward:

2914 Washington Rd, West Palm Beach, FL 33405
<https://goo.gl/maps/FsX2SToSEJK2>

We still have a great vantage point of Mar a Lago from our new location.

Important-- there is great sensitivity among the neighbors surrounding this property.
We kindly ask that teams try to limit the amount of vehicles that travel in and make use of street parking on the intersecting Avila Road.

Any questions, please call me on my cell: +1 (b) (6)

US PRESIDENT TRUMP TO MEET CHINA'S PRESIDENT XI MAR-A-LAGO, FLORIDA, USA | 6-7 APRIL 2017

Chinese President Xi Jinping and President Donald Trump will meet for the first time on April 6-7 at Mar-a-Lago, China's foreign ministry announced Thursday.

The future relationship between the world's No. 1 and No. 2 economies has been uncertain following the election of Trump, who accused China during his campaign of unfair trade practices and threatened to raise import taxes on Chinese goods and declare Beijing a currency manipulator.

It is unclear whether Trump will follow through with either threat. He is now seeking Beijing's help in pressuring North Korea over its nuclear weapons and missiles programs. China is the North's most important source of diplomatic support and economic assistance.

Hi Patrice:

Here are the rates from our vendors for this event:

- EBU: USD \$765 first 10 minutes + USD \$75/each additional minute
- APTN: USD \$725 first 10 minutes + USD \$65/each additional minute
- TIMA: Not covering event
- IHA: Not covering event

We chose APTN as they were the lowest-cost vendor.

Thank you,
Steve

Hello Steven
No credentials are needed as we are outside the secure perimeter

This is the same location where all US nets are doing their stand ups
Expect lots of traffic Southern Blvd but no need for accreditation (Side note: - i would suggest to avoid using S Ocean Blvd to reach the feed point on Bingham island as traffic will be terrible)

The time slots below are available.
Let us know if you want to firm them up and we will send you detailed confirmation

Thank you sir

Subject: VOA | Mar-a-Lago - NEW LOCATION

Dear Steven and VOA colleagues:

Palm Beach Police Department & Secret Service are kicking all media off Bingham Island.

We have brokered a deal with a private property owner to base our operation at the following address beginning Thursday 04/06 onward:

2914 Washington Rd, West Palm Beach, FL 33405

<https://goo.gl/maps/FsX2StoSEJK2>

We still have a great vantage point of Mar a Lago from our new location.

Important-- there is great sensitivity among the neighbors surrounding this property. We kindly ask that teams try to limit the amount of vehicles that travel in and make use of street parking on the intersecting Avila Road.

Any questions, please call me on my cell: (b) (6)

Many thanks,
