**RESPONDENT'S PETITION TO REVOKE SUBPOENA *DUCES TECUM***

Pursuant to Section 102.31(b) of the National Labor Relations Board's Rules and Regulations, Respondent Trump Ruffin Commercial, LLC, d/b/a Trump International Hotel Las Vegas ("Hotel" or "Respondent") hereby petitions to revoke Subpoena *Duces Tecum* No. B-1-OZVHGX ("Subpoena") addressed to "Custodian of Records" as requested by Judith E. Dávila, Counsel for General Counsel. (Exhibit A). The Subpoena, consisting of fifty-seven numbered Requests, not including discrete subparts, was issued on November 3, 2015 and served on Trump's counsel at 4:55 p.m. PST on Tuesday, November 3, 2015. For the reasons stated herein, the Regional Director should revoke or modify the Subpoena.<sup>1</sup>

**APPLICABLE LEGAL STANDARD**

The General Counsel ("GC") possesses authority to subpoena evidence "that relates to any matter under investigation or in question," 29 U.S.C. § 161(f), but "[t]he subpoena must be

for a legitimate purpose, the inquiry in question must be reasonably related to the purpose, and the demand for information must not be overly broad, indefinite or otherwise unreasonable.”

*NLRB v. U.S. Postal Serv.*, 790 F. Supp. 31, 34 (D.D.C. 1992). Section 102.31(b) of the Board’s Rules and Regulations provides that:

The administrative law judge or the Board, as the case may be, shall revoke the subpoena if in its opinion the evidence whose production is required does not relate to any matter under investigation or in question in the proceedings or the subpoena does not describe with sufficient particularity the evidence whose production is required, or if for any other reason sufficient in law the subpoena is otherwise invalid.

“[S]ection (11)(1) [of the Act] is not intended as a complete and inclusive catalogue of all grounds upon which a Board subpoena may be revoked.” *NLRB v. Interstate Builders, Inc.*, 351 F.3d 1020, 1028-29 (10th Cir. 2003). See also *Drukker Commc’ns, Inc. v. NLRB*, 700 F.2d 727, 730 (D.C. Cir. 1983) (“Although the statute explicitly permits the quashing of subpoenas only for irrelevance or lack of particularity, it does not explicitly exclude other grounds.”).

Indeed, the Board in *Brinks, Inc.*, 281 NLRB 468 (1986), held that the Federal Rules of Civil Procedure should serve as guidance to determine “any other reason sufficient in law” to revoke a subpoena, including for the reasons set forth in Federal Rule of Civil Procedure 26(c)(1) — *i.e.*, annoyance, embarrassment, oppression, or undue burden or expense. Also, the Board has held that “other reasons” for revocation include, but are not limited to, the vagueness and/or overbreadth of the Requests. See *U.S. Sec. Assocs.*, Case No. 22-CA-63206, 2012 NLRB LEXIS 3 (Jan. 3, 2012); NLRB Division of Judges Bench Book § 8-330 (an ALJ “must balance the relevancy and need for the information against the potential cost and burdensomeness of its production in the form requested”).

## GENERAL OBJECTIONS

### **I. The Subpoena Amounts to Nothing More Than a Fishing Expedition for the Purpose of Harassment and is an Abuse of Administrative Processes**

This Subpoena is nothing more than a fishing expedition in a desperate attempt to support the GC's non-specific and vague Complaint allegations, which the Region should have dismissed at the administrative charge stage. The Supreme Court has warned against "fishing expeditions" by federal agencies: "It is contrary to the first principles of justice to allow a search through all the respondent's records, relevant or irrelevant, in the hope that something will turn up." *FTC v. American Tobacco Co.*, 264 U.S. 298, 306 (1924). See also *Interstate Builders, Inc.*, 334 NLRB 835, 841 (2001) (granting petition to revoke subpoena because "most of the material sought was too speculative in nature and . . . was a fishing expedition type of subpoena").

The Subpoena consists of no less than fifty-seven numbered paragraphs, many of which contain a number of discrete subparts, and contains a host of overbroad and unduly burdensome Requests for documents unrelated to the Complaint allegations or any related issue in this case. Far from being drafted "as narrowly and specifically as is practicable," See NLRB Man. Part J § 11776, the Requests unreasonably encompass every physical piece of paper and electronic document that is or has been in the Hotel's possession since January 1, 2013, including "all drafts and non-identical or distribution copies." (Exh. A, Instructions ¶¶ E, I, K, M-N, P). The GC has not, and cannot, demonstrate the relevance of such a vast swath of documents nor should the Respondent be required to incur the time and expense necessary to cull the untold thousands of documents these Requests encompass. To that end, this Subpoena is an abuse of the administrative process and should be revoked.

## **II. The Subpoena is Overbroad as to the Time Period Covered**

The Respondent also objects to the overbroad time period covered by the Subpoena, which seeks documents and information from January 1, 2013 to the present. (Exh. A, ¶ E). These Requests seek irrelevant information and documents from over two-and-a-half years prior to any alleged non-rule misconduct raised in the Complaint (February 2015) and well beyond the expiration of the applicable statute of limitations period. Indeed, the Union filed the first of its charges in April 2015, such that any request for information prior to October 2014, at the latest, is irrelevant to the allegations.

Moreover, these Requests also are overbroad and unduly burdensome to the extent they seek documents regarding the Hotel Housekeeping Department's policies and practices prior to the time Housekeeping Director Magana assumed that role in February 2014. The Requests' temporal parameters further demonstrate that the Subpoena is nothing more than an improper fishing expedition for documents dating well before the relevant time period, and is not tailored to avoid oppression and harassment. *See* NLRB Man. Part I § 11776.

## **III. The Subpoena Was Issued Long After the Date Encouraged By the ALJ**

At the pre-trial conference held on Tuesday October 27, 2015, ALJ Laws strongly encouraged the parties to issue any document subpoenas on or before Friday, October 30, to allow the parties sufficient time to respond, seek to resolve any disputes, and avoid spending time at hearing addressing discovery issues. Despite the ALJ's clear instruction, the GC sat on its hands and issued this entirely overbroad and harassing Subpoena at the close of business on Tuesday, November 3rd, one week after the pre-trial conference and four days after the ALJ requested the parties issue any subpoenas.

The purpose of the GC's delay tactic is obvious -- to distract Respondent from preparing its case and to redirect valuable time and resources to responding to an absurdly overbroad and

oppressive document request. The GC's tactics are inappropriate and unworthy of its position, and are pertinent to consideration of the propriety of the Subpoena.

#### **IV. The Privilege Log Requested is Unduly Burdensome**

The Subpoena's instructions provide that, "[i]f any of the requested documents in whole or in part cannot be produced because they are deemed privileged or otherwise subject to protection as trial preparation material, then provide a separate privilege log that describes the nature of the document not produced or disclosed in a manner that, without revealing the information itself privileged or protected, will enable the assessment of the applicability of the privilege or protection." (Exh. A, Instructions ¶ R). This is absurdly oppressive and unnecessary to the needs of the case. Here, the Subpoena's overbroad and vague Requests unreasonably encompass untold thousands of privileged documents to which the GC is not entitled. *See, e.g., Patrick Cudahy, Inc.*, 288 NLRB 968, 974 (1988).

Thus, the Subpoena would require the Respondent to not only cull the myriad documents arguably responsive to the GC's Requests, but to expend an unreasonable amount of time and expense reviewing such documents for privilege and preparing a privilege log with a limited number of days to prepare for trial solely for the GC's convenience. Such a Request is improper and warrants that the Subpoena be revoked.

#### **V. The Request for Electronic Discovery is Unduly Burdensome**

The Subpoena is also overbroad and unduly burdensome to the extent its request for Electronically Stored Information ("ESI") requires the Respondent to expend unreasonable amounts of time and incur substantial costs to comply with the Subpoena's generally overbroad Requests. Indeed, most of the Requests seek "any," "each," and "all" responsive documents, which encompasses both paper files and ESI. The ESI portion alone requires collecting, searching and reviewing the emails and other electronic files of hundreds of employees over an

overbroad multi-year period. These Requests also require the Company to manually review the personnel files of hundreds of current and former employees. The aggregate effect of the Requests is to essentially force the Respondent review each and every paper file, as well as all emails and other electronic documents generated since the beginning of 2013. The disruption to the Hotel's business would be immense, and would bear no rational relationship to the issues in the Complaint and the needs of the case. No Board precedent justifies this type of Subpoena.

Compliance could take hundreds of hours with untold costs to the Respondent. (Exh. B, Affidavit of Jeff Peterson ¶¶ 23-35) ("Peterson Aff."); (Exh. C, Affidavit of Brian Swepston ¶¶ 7-15) ("Swepston Aff."). Without question, a party's normal business operations are disrupted when it would take a large number of person-hours to comply with a subpoena. *See, e.g., SEC v. Brady*, 238 F.R.D. 429, 438 (N.D. Tex. 2006) (subpoena quashed where company estimated that it would take 226 hours to review the hard copy files for responsiveness and privilege and 16,111 hours to review the electronic data for responsiveness and privilege); *Flatow v. Islamic Republic of Iran*, 202 F.R.D. 35, 37 (D.D.C. 2001) (quashing subpoenas issued to two company-defendants where the court found that to comply with the subpoena would take one company 885 person-hours (111 eight-hour days) and the other approximately 335 person-hours (42 eight-hour days)). This massive investment of time and resources would create a serious and unreasonable burden on the Respondent and grind its regular business operations to a halt.

The Company has already provided hundreds of pages of documents to the Region during its investigation that are directly related the Complaint allegations. This is more than sufficient to meet an employer's obligation under the Act. The burden of producing the documents at issue here vastly outweighs the relevancy and necessity of the information at issue. Accordingly, the Company's Petition should be granted in full.

## VI. Subpoena Seeks Data Regarding Separate Companies.

The Subpoena's overly broad, boilerplate instructions define the "Respondent" to include "subsidiaries, affiliates, and related entities." *See* Exh. A, Instructions ¶ A. The Subpoena should be revoked to the extent that it seeks information from any such separate enterprises.

As the Subpoena acknowledges, the only facility which is a subject of the complaint is the "Trump International Hotel located in Las Vegas, Nevada." *Id.* ¶ B. The Trump International Hotel in Las Vegas is owned by Respondent Trump Ruffin Commercial LLC. (Peterson Aff. ¶ 2). Accordingly, information with respect to any enterprise other than Trump Ruffin Commercial LLC d/b/a Trump International Hotel Las Vegas has no bearing on the Complaint. *Id.*

Ensnaring separate entities -- which are related in some way -- in the Subpoena when they lie outside the Complaint -- not to mention the applicable Charge, which names only Trump Ruffin Commercial LLC -- embodies all of the evils which the Board's Rules and Regulations, procedural manuals, and decisions (and those of the courts) warn against: lack of relevance, overbreadth, oppression, undue burden, and avoidance of fishing expeditions. *See supra. See also Indiana Metal Products*, 189 NLRB 606, 610 (1970) (subpoena quashed where related but separate entities not within scope of Complaint, and no showing that related entities had control over policies and actions in question); *NLRB v. Fant Milling Co.*, 360 U.S. 301, 308-309 (1959) (noting that, while the Board has reasonable latitude to investigate alleged unfair labor practices in a manner that may go beyond "the precise particularizations of a charge," it does not have "carte blanche to expand the charge as [it] might please, or to ignore it altogether.") (citation and footnote omitted). Accordingly, the Subpoena should be quashed to the extent it seeks documents from any entity other than the Hotel.

**VII. The Subpoena Should Be Revoked Because It Seeks Irrelevant Information, It Is Overbroad, And It Is Unduly Burdensome.**

The NLRB's Rules and Regulations provide that a subpoena shall be revoked if it seeks the production of documents that do not relate to any matter in question, if it does not describe with sufficient particularity the evidence whose production is required, or for any reason sufficient in law. 29 C.F.R. § 102.31(b); *see also*, NLRB Man. Part I § 11774 ("The [...] documentary evidence sought by enforcement of a subpoena must be relevant to the matter under investigation or in question before the Board."). In general, the Subpoena here seeks irrelevant information and is overbroad, burdensome, vague, and ambiguous. Therefore, under the Board's own Rules, the Respondent's Petition to Revoke should be granted.

**SPECIFIC GROUNDS FOR REVOCATION<sup>2</sup>**

**Request No. 1**

Subpoena Request No. 1 asks for:

*Organizational charts and all other documents that show Respondent's managerial structure, hierarchy or chain of command for Respondent's facility during the period covered by this subpoena, including documents that show any changes to the reporting protocols and chain of command.*

Respondent states that Request No. 1 seeks documents not relevant to the Complaint and is overbroad, vague, and ambiguous. The Board's Case Handling Manual advises that "[a] subpoena duces tecum should seek relevant evidence and should be drafted as narrowly and specifically as is practicable. The use of the word 'all' in the description of records should be avoided wherever possible." NLRB Man. Part I § 11776; *see also Brink's Inc.*, 281 NLRB at 468-69. Contrary to this rule, Request No. 1 seeks "all" documents that "show Respondent's

---

<sup>2</sup> Each and every specific ground for revocation is made subject to the aforementioned General Objections, and the Respondent waives no such objections, regardless of whether such objections are stated in a particular response or there is no response given (other than the aforementioned General Objections).

managerial structure, hierarchy or chain of command for Respondent's facility . . . including documents that show any changes to the reporting protocols and chain of command governing the terms and conditions of employment" from January 1, 2013 to the present, regardless of the document's content are any relation to the issues in this case. Request No. 1 is neither narrowly drafted nor practicable. Any document listing the title of an employee would arguably fall within this Request's scope.

Respondent also objects to the extent Request No. 1 seeks organizational charts covering Hotel operations beyond the Housekeeping, Security, or Human Resources Departments. Notably, outside of allegations regarding specific policies, for which this Request is completely irrelevant, allegations of misconduct towards employees has all been directed at Housekeeping or Security Employees. All persons whose supervisory/agency status is in dispute reside within Housekeeping or Security. Thus, the only possible departments for which the "chain of command" may be relevant are Housekeeping, Security, or Human Resources Departments.

Further, Request No. 1's time frame of "the period covered by this subpoena, (January 1, 2013 to the return date of this subpoena) (Exh. A, Instructions ¶ E), clearly seeks irrelevant information and documents created or reflecting the Hotel's organizational structure no less than two years prior February 2015, the first alleged incident in this Complaint of any alleged improper employer responses to union activity at the premises. Thus, Request No. 1's own temporal parameters show that it seeks irrelevant documents. In fact, such a Request appears to be nothing more than a "fishing expedition," which the Board has rejected. *See* NLRB Man. Part I § 11776. Subject to and without waiving these objections, Respondent will produce those organizational charts it has for Housekeeping, Human Resources, and Security from February 2015 to present.

Request No. 2

Request 2 seeks:

*Documents, including, but not limited to, job descriptions, appraisals, bulletins and memoranda, showing the job title, general and specific duties, authority, responsibilities, wages, hourly wage rates or salary, fringe benefits and work schedules of the below listed individuals, including any changes or amendments thereto, and the dates of such changes.*

- a. Christina Keeran;*
- b. Oliva Green; and*
- c. Danny Slovak*

Request No. 2 seeks confidential documents not relevant to the Complaint and is overbroad, unduly burdensome, vague, and ambiguous.

Again, “a subpoena duces tecum should seek relevant evidence and should be drafted as narrowly and specifically as is practicable. The use of the word ‘all’ in the description of records should be avoided wherever possible.” NLRB Man. Part I § 11776; *see also Brink’s Inc.*, 281 NLRB at 468-69 (1986). The GC’s Request for documents “showing” the job title, general and specific duties, authority, responsibilities, wages, hourly wage rates or salary, fringe benefits and work schedules” for the identified individuals is entirely vague and fails to describe with sufficient particularity the information requested. A countless number of documents can be considered to “show” such information and Respondent cannot be required to guess as to which ones the Board desires, particularly given the disconnect between the issues in this case and the Subpoena’s requested information. This Request is not at all specific.

Moreover, this request is completely overbroad and burdensome. Given its scope, it arguably would encompass every document in Respondent’s possession in which these employees or their job titles appear, and any document ever referencing any functions of their job. This Request would require a massive search for documents, not to mention review of same for responsiveness, and would produce nothing of any relevant value. Moreover, the Request

improperly seeks confidential employee information, including medical/health information, social security numbers, financial information, other personal employee information. Not only is this data personal and confidential, it has no relevance at all to the allegations in this matter.

Indeed, the Request should be stricken on the grounds it seeks information not in dispute. The GC alleged and Respondent already admitted to the job titles of these employees. (Ans. 2nd Cons. Compl. ¶4). There can be no possible reason why the GC needs every single document setting for the job title of employees when that title is not a disputed issue.

This Request is also irrelevant to the extent it seeks documents tangentially “showing” the listed information regardless of the document’s content. The Board requires that subpoenas be revoked if the evidence whose production is required does not relate to any matter under investigation or in question in the proceedings. *See, e.g. Graham-Windham Services to Families and Children, Inc.*, 312 NLRB 1199, 1209-10 (1993) (revoking broad subpoena as requesting irrelevant and burdensome information); *Howard Johnson Co.*, 250 NLRB 1412 n. 2 (1980) (affirming ALJ’s revocation of subpoena on relevancy grounds).

Further, Request No. 2’s time frame of “the period covered by this subpoena, (January 1, 2013 to the return date of this subpoena) (Exh. A, Instructions ¶ E), clearly seeks irrelevant information as allegations involving these employees did not begin until February 2015 for Green and Keeran (Ans. 2nd Cons. Compl. ¶ 5(c)-(d)) and June for Slovak (Ans. 2nd Cons. Compl. ¶ 5(m)). To the extent any of this requested information is relevant, it is only relevant to the extent it shows the status of these employees at the time of their alleged misconduct. The overbroad description and timeframe of the records sought make collection of documents unduly burdensome and unreasonably time-consuming for the Respondent. (Peterson Aff. ¶¶ 7-21, 35). Such a Request appears to be nothing more than a “fishing expedition,” which the Board does

not permit. *See* NLRB Man. Part I § 11776. Subject to and without waiving these objections, Respondent will produce job descriptions, performance appraisals, schedules and pay sheets for the named employees for 2015.

**Request Nos. 3-8**

Request Nos. 3-8 again seek myriad personnel records, communications, and other confidential and irrelevant documents involving Keeran, Green, and Slovak and their relationship with the Respondent and other Hotel employees. These Requests are generally overbroad, unduly burdensome, vague and ambiguous, and are not reasonably calculated to lead to the discovery of admissible evidence.

Specifically, Request No. 3's Request for any documents "as will describe" the identified individual's "authority" with respect to employment actions involving other employees is entirely vague and overbroad, and fails to describe with sufficient particularity the information requested. To the extent the individuals possess such "authority" pursuant to their job duties, which they do not, nearly every document in the Hotel's possession that references Keeran, Green or Slovak or, for that matter, anyone else in those positions or the positions themselves could tangentially "describe" such authority or lack thereof. Respondent cannot be required to guess as to which documents the Board desires, particularly given the disconnect between the issues in this case and the Subpoena's requested information. *See, e.g. Graham-Windham Services to Families and Children, Inc.*, 312 NLRB at 1209-10; *Howard Johnson Co.*, 250 NLRB at n.2. Moreover, a review for such documents, given it could mean any document addressing the employees, their positions, or persons holding their positions would be unduly burdensome and ultimately produce nothing of value.

Similarly, Request No. 4's Request for "personnel records" which were "completed, reviewed, signed, initialed, and/or approved" by the identified individuals is entirely vague and

overbroad, and fails to describe with sufficient particularity the information requested. This Request covers nearly every document or "personnel record" -- or whatever that means beyond the specific examples provided -- that any of these individuals have ever laid eyes upon.

Request No. 5's Request for documents "showing communications" to and/or from the identified individuals "related to" the employment of "employees of Respondent" is entirely vague and overbroad, and fails to describe with sufficient particularity the information requested. The Subpoena does not even attempt to define "communication" nor can the Respondent be required to guess as to which documents "show" the "communications" sought.

Request No. 6's Request for documents "prepared" by the identified individuals that "describe" "conduct and/or performance of employees of Respondent" is entirely vague and overbroad, and fails to describe with sufficient particularity the information requested. This Request conceivably would require a review of the entire universe of documents that the individuals identified have come in contact with over the past two-and-a-half years to see if any describe conduct or performance. The Respondent cannot be required to guess as to which documents "that describe conduct and/or performance" of employees the Board desires, especially given the utter irrelevance of the request.

Request No. 7's Request for documents "showing" any "instance" where the identified individuals "evaluated," "made," "assigned," "recommended," or "granted" any of the listed items for "Respondent's employees" is entirely vague and overbroad, and fails to describe with sufficient particularity the information requested. This Request conceivably seeks the entire universe of documents related to these areas that the individuals identified have come in contact with over the past two-and-a-half years.

Request No. 8's Request for documents "drafted, typed, e-mailed, signed, or written" by any of the identified individuals "based in whole or in part on information provided or authorized by any of them" that "refer(s)," "shows," or "memorializes" any of the listed items for "Respondent's operations" or "employees" is entirely vague and fails to describe with sufficient particularity the information requested.

Subject to and without waiving these objections, Respondent will produce responsive job descriptions, performance appraisals, schedules and pay sheets for the named employees for 2015.

**Request No. 9**

Request No. 9 seeks

*Documents, including, but not limited to, contracts, invoices, vouchers, bills, checks, and purchase orders, showing whether any of the individuals identified above in Item 2, obtained credit, authorized or made purchases, or entered into contracts on behalf of or as an agent of Respondent.*

Request No. 9 seeks documents not relevant to the Complaint and is overbroad, unduly burdensome, vague, and ambiguous. Whether any of the individuals has engaged in any of the listed activities is wholly irrelevant to any alleged supervisory status or the allegations in the Complaint. Moreover, the GC's Request for documents "showing" whether the identified individuals "obtained credit, authorized or made purchases, or entered into contracts on behalf of or as an agent of Respondent" is entirely vague and fails to describe with sufficient particularity the information requested. The Respondent cannot be required to guess as to which documents the Board desires, especially given the utter irrelevance to the issues in this case.

**Request Nos. 10-11**

Request Nos. 10 and 11 seek:

*Documents showing directions, instructions, and/or communications to any of the individuals identified above in Item 2 related to activities of the Union at*

*Respondent's facility, union activities of employees at Respondent's facility, and/or distribution of literature at Respondent's facility and Documents related to activities of the Union at Respondent's facility, union activities of employees at Respondent's facility, and/or distribution of literature at Respondent's facility, which were completed, reviewed, signed, initialed, and/or approved by any of the individuals identified above in Item 2.*

Request Nos. 10 and 11 seek confidential documents not relevant to the Complaint and is overbroad, unduly burdensome, vague, and ambiguous. The GC's Request for documents "showing directions, instructions, and/or communications" and those "completed, reviewed, signed, initialed, and/or approved" by the identified individuals "related to" employees' "union activities" and or "distribution of literature" is entirely vague and fails to describe with sufficient particularity the information requested. If the Board is asking for communications issued to all employees regarding unions, such a request seeks irrelevant information outside the scope of the Company, as well as the underling Charges. The Respondent cannot be required to guess as to which documents the Board desires, especially given the utter irrelevance to the issues in this case. These Requests are also unduly burdensome.

In order to fully comply with this request, in addition to trying to find over two years or paper documents, it would have to pull thousands of electronic documents, and then review each and every one of them for responsiveness and privilege. (Peterson Aff. ¶¶ 22-35); (Swepston Aff. ¶¶ 9-15). To the extent only truly relevant documents (assuming any could be relevant) need be produced, Respondent would have to review for relevance as well. The Hotel would spend an inordinate amount of time and incur untold costs, which is a completely burdensome expectation given Respondent's need to prepare for hearing. (Peterson Aff. ¶¶ 22-35); (Swepston Aff. ¶¶ 9-15). Even if Respondent could easily and efficiently search and produce the two-and-a-half years of ESI responsive to these Requests, the result would be thousands of irrelevant and meaningless documents and a burdensome waste of all parties' time on the eve of hearing.

Respondent should not be expected to incur the inordinate amount of wasted time and expense for what amounts to nothing more than a fishing expedition.

Further, subject to the Respondent's General Objections, the time frame of Request clearly seeks irrelevant information and documents dating from no less than two years prior to any alleged union activity at the premises. Subject to and without waiving these objections, Respondent will produce responsive information.

**Request No. 12**

Request No. 12 seeks:

*Employment applications, work histories, performance appraisals, disciplinary records, and other documents and communications that traditionally would be maintained in a personnel file or its equivalent for the individuals identified above in Item 2.*

Request No. 12 seeks confidential documents not relevant to the Complaint and is vague, and ambiguous. The GC's request for "[e]mployment applications, work histories, performance appraisals, disciplinary records," and "other documents and communications" that "traditionally" would be maintained in a personnel file "or its equivalent" for the identified is entirely vague and fails to describe with sufficient particularity the information requested. Respondent should not be required to guess which documents the GC believes are "traditionally" maintained in personnel files or what constitutes the "equivalent" of a personnel file. The Respondent also objects to the extent this Request seeks confidential employee information, including medical/health information, social security numbers, financial information, other personal employee information. Not only is this data personal and confidential, it has no relevance at all to the allegations in this matter. Subject to and without waiving these objections, Respondent will produce those portions of the personnel files it keeps for the individuals identified above in Item 2 that do not contain such personal and irrelevant data.

Request Nos. 13-17, 20

Requests 13-17 seek an overbroad array of irrelevant, vague, and privileged documents and information related to the Hotel's correspondence, contracts, filings, and other communications with third-parties, including "labor relations consultant(s), advisor(s), specialist(s), or persuader(s)," the "United States Department of Labor," "any Labor Relations Institute," and Request 20 seeks similar information from "any third-party."

First and foremost, this Request has absolutely nothing to do with the allegations of the Complaint and is thus completely irrelevant. Not a single allegation involves any third party retained by the Respondent. No agent of any third party is named in the Complaint nor has been accused or any wrongdoing in the Complaint. This is simply a naked attempt to obtain private information regarding Respondent's election campaign and strategy for purposes of interfering with Respondent's rights in presenting its opinions to its employees regarding whether or not unionization is in their best interests. This has nothing to do with the Complaint. Nor, for that matter, does a federal LM-10 report, much less any communications Respondent may have had with third parties who have not assisted with regard to the union organizing campaign. This Request simply has no relevance whatsoever to any Complaint allegation.

Moreover, this Request seeks privileged information. These Requests, on their face, seek documents related to subject to attorney-client privilege and work-product privilege to the extent the Respondent consulted with a law firm for legal services or advice. *Patrick Cudahy, Inc.*, 288 NLRB 968 (1988) ("We therefore revoke the General Counsel's subpoenas to the extent that they seek privileged communications.").

To the extent these Requests seek documents related to the Hotel's communications with non-attorney consultants or persuaders, besides the aforementioned irrelevance, such communications also are privileged no different than bargaining strategy communications should

be privileged. Not only are such Requests overly broad and oppressive, and in most respects have no conceivable relevance, they undermine fundamental policies of the Act.

The Act -- and, indeed, the First Amendment -- underscore that an employer has the right to communicate a wide range of views to employees regarding unionization. See 29 U.S.C. § 158(c). As the Supreme Court held in *NLRB v. Gissel Packing Co.*, 395 U.S. 575, 617 (1969), Section 8(c) of the Act “merely implements the First Amendment.” Similarly, the Act and the Board’s decisions fully contemplate that a petitioning union and an employer may conduct robust campaigns to persuade employees of their position. See, e.g., *Midland National Life Ins. Co.*, 263 NLRB 127 (1982); 29 U.S.C. § 159.

It is both impermissibly chilling of a party’s First Amendment and Section 8(c) rights, and too intrusive into a party’s campaign strategy and confidential dealings with its labor advisors, to permit private materials in this area to be subpoenaed -- at least where information absolutely necessary to adjudication cannot be had through other, less destructive means. The potential for abuse is obvious. Using Board processes to access a party’s sensitive labor strategy could give the other party a significant advantage in any further campaigning. Moreover, the release of such material intended only for internal deliberations is akin to compelled speech contrary to First Amendment tenets.

The situation is highly analogous to the Board’s holdings in *Berbiglia, Inc.*, 233 NLRB 1476 (1977) and its progeny. There an employer sought to obtain “a wideranging examination of the Union’s records.” The ALJ, in a decision adopted by the Board, revoked the pertinent subpoenas, concluding that it would be “inconsistent with and subversive of the very essence of collective bargaining . . . If collective bargaining is to work, the parties must be able to formulate

their positions and devise their strategies without fear of exposure. This necessity is so self-evident as apparently never to have been questioned.” *Id.* at 1495.

The same principle applies to election campaigning, another structural feature of the Act. Along these lines, “confidential employees” who assist and act in a confidential capacity to persons who formulate, determine, and effectuate labor relations policies are excluded from collective bargaining. *See, e.g., Waste Management de Puerto Rico*, 339 NLRB 262 (2003); *Ladish Co.*, 178 NLRB 90 (1969); *Chrysler Corp.*, 173 NLRB 1046 (1969). The Board plainly recognizes that an employer’s labor relations strategies, deliberations, and communications are entitled to confidentiality. Only a specific, narrowly tailored, compelling need which cannot be met through other evidentiary sources should warrant overcoming this important interest. No such showing has been made here, and none is likely to be established.

In *Berbiglia*, the ALJ concluded that examination of witnesses was perfectly sufficient to address the issues encompassed by the “dragnet subp[ro]enas.” *Id.* at 1496. If Section 8(c)’s policies are to be vindicated, parties likewise “must be able to formulate their positions and devise their strategies without fear of exposure,” especially where evidence presumably can be adduced by the questioning of witnesses under the ALJ’s supervision. Thus, Request Nos. 13-17 and 20 should be revoked.

**Request Nos. 18-19, 21**

Request Nos. 18-19, and 21 apparently are designed to obtain any and all communications, documents and information related to communications between and among the Respondent’s “officers, supervisors, and/or agents” (presumably without the third parties referenced in earlier Requests, for which we also object and restate here if the Requests are duplicative), any documents at all ever referencing the magic words “union,” “unionization,”

“representation petition,” “union organizing,” or “pay and wage complaints.” Request 21 further Requests any communications between Respondent and its employees regarding “unions.”

First, the documents this Request seeks are irrelevant. What Respondent communicated among non-statutory employees is not at issue in this Complaint. What is at issue in this Complaint are a few rules -- whose legality is based on objective rather than subjective standards -- and some specific actions of specific individuals vis-à-vis other individuals. What may have been said to managers and other agents has no relevance to this Complaint. Nor for that matter are the communications issued to employees at all relevant. Not a single communication has been alleged to be violative of the Act, and not a single one is at issue in this Complaint. Other than to share these communications with the Union, fish for new violations, and harass Respondent, there is no purpose for such a request. Likewise, employee complaints about wages and benefits are not part of this Complaint and have no bearing on this case. This Request is completely irrelevant.

Second, this Request seeks privileged information. These Requests, on their face, seek documents related to subject to attorney-client privilege and work-product privilege to the extent the Respondent consulted with their in-house counsel. *Patrick Cudahy, Inc.*, 288 NLRB 968 (1988) (“We therefore revoke the General Counsel’s subpoenas to the extent that they seek privileged communications.”).

Third, for the reasons set forth in Respondent’s response to Request Nos. 13-17 and 20, which are incorporated herein by reference, these Requests seek documents related to the Hotel’s internal communications regarding union organizing, besides the aforementioned irrelevance, such communications also are privileged no different than bargaining strategy communications should be privileged.

Fourth, this Request is a far cry from being drafted as narrowly and specifically as is practicable and is completely overbroad. The GC is not asking for documentation of specific communications relating to any of the alleged misconduct at issue, or for that matter, to communications regarding the alleged conduct involving the specific individuals accused. Instead, this is a pure fishing expedition seeking to obtain any and all documents in which Union is ever referenced.

Last and certainly not least, these Requests are also unduly burdensome. In order to fully comply with this request, in addition to trying to find over two years of paper documents, it would have to pull approximately 702,200 electronic documents, and then review each and every one of them for responsiveness and privilege. (Peterson Aff. ¶¶ 31-35); (Swepston Aff. ¶¶ 11-15). To the extent only truly relevant documents (assuming any could be relevant) need be produced, Respondent would have to review for relevance as well. This would take years, require the Hotel to incur untold costs, and is a completely burdensome expectation given Respondent's need to prepare for hearing. *Id.* Even if Respondent could easily and efficiently search and produce the two-and-a-half years of ESI responsive to these Requests, the result would be thousands of irrelevant and meaningless documents and a burdensome waste of all parties' time on the eve of hearing. Respondent should not be expected to incur the inordinate amount of wasted time and expense for what amounts to nothing more than a fishing expedition.

Furthermore, Respondent objects to the extent this Request requires the Hotel to improperly surveil or seek documents related to employees' protected activities. As written, Respondent would be required to pull all emails and communications addressing unions and the other items set for in Item 19, which would include searching all employee communications on this matter. Respondent -- and the union -- could thus be made privy to the private thoughts of

Hotel employees regarding unions. *See supra*. Not only does this have no relevance to the Complaint, it also interferes with employees' rights and placed the Respondent in the position of committing an unfair labor practice by complying with this request. Notably, Respondent is at a loss as to how it can search its entire database for the broad swath of union documents demanded by the GC without picking up emails by employees regarding unions. (Peterson Aff. ¶ 28).

**Request No. 23**

Request No. 23 seeks documents "as will show the names and addresses of facilities" at which employees were solicited to sign the "No Solicitation/Distribution on Property" policy, the "Confidentiality Policy," and the policy providing for immediate suspension and/or termination of employment of employees for "unauthorized removal or sharing of confidential Company information" appearing in Respondent's handbook.

First, this Request is irrelevant and outside the scope of the Complaint as well as the Charge. The Complaint at issue involves the Respondent, and Respondent's only facility is the Trump International Hotel Las Vegas. Moreover, Respondent already has admitted it issued its handbook to its employees. *See* Ans. 2nd Cons. Compl. ¶ 5(a). To the extent the same or similar policies, may also have been in effect at other companies during that time is entirely irrelevant to the issues presented in this case.

Second, Respondent objects to this Request to the extent the GC is seeking data from other companies that are not Respondent. Those entities are not parties to this case, and cannot be slipped in through sleight of hand. *See, e.g., Fant Milling Co.*, 360 U.S. at 308-309. Respondent has no control over those entities. (Peterson Aff. ¶¶ 2-5).

**Request No. 24**

Request No. 24 seeks employee agreements of confidentiality of business information that Respondent solicited employees to sign during the period from October 12, 2014 to date.

Respondent objects to this Request given it already has provided GC the policy at issue, and in its answer already has admitted it does solicit employees to sign an “Employee Agreement of Confidentiality of Business Information.” See Ans. 2nd Cons. Compl. ¶ 5(a). To the extent the GC is seeking copies of each and every such agreement executed by employees such a Request is irrelevant for purposes of proving its case. Moreover, it unduly burdensome to require the Respondent to pour through each and every one of approximately 1500 personnel files of employees employed during this time period to search signed copies of said agreement. (Peterson Aff. ¶¶ 9-10); (Swepston Aff. ¶ 5).

**Request No. 25**

Request No. 25 seeks employee agreements of confidentiality that Respondent solicited employees to sign.

First, Respondent further objects to this Request as being irrelevant as it is outside of the scope of the present Complaint. Indeed, the Region investigated allegations regarding this policy and consciously decided not to raise this policy as part of its Complaint. As such, this Request is irrelevant.<sup>3</sup>

Second, even assuming the Request was relevant, to the extent the GC is seeking copies of each and every such agreement executed by employees such a Request is irrelevant for purposes of proving its case. Moreover, as it would require the Respondent to pour through each and every one of approximately 1200 personnel files of employees employed during this time period to search signed copies of said agreement, it is unduly burdensome as well.

---

<sup>3</sup> The GC recently has indicated a desire to amend the Complaint to raise this issue. The GC’s motion to amend the Complaint at the last minute to add an allegation that was fully investigated and discarded by the moving Counsel for the GC should be denied.

**Request No. 26**

Request No. 26 seeks documents “as will show the names and addresses of facilities” at which employees were solicited to sign employee agreements of confidentiality of business information and/or employee agreements of confidentiality policies. For the reasons set forth in its response to Request No. 23, such a Request is irrelevant and outside the scope of the Complaint, and the GC is improperly seeking documents from other companies that are not Respondent.

Similarly, for the reasons set forth in its response to Request No. 25 Respondent also specifically objects to the Request as to employee agreements of confidentiality.

**Request Nos. 27-29**

*Requests No. 27-29 seek documents “as will show” the policies and/or procedures relating to “employees, employee’s skills and abilities, certification requirements, job performance, discipline, and violations or non-compliance of any such policies, including but not limited to copies of Respondent’s employee handbook(s) and personnel reference manual(s);” “rules, regulations, guidelines, policies and/or procedures relating to a. job performance policy or rules; b. lay off procedures or rule; c. recall policy or procedures; d. transfer policy or procedures; e. disciplinary policy or rules; f. progressive discipline policy or rules; and g. staffing policy or procedures;” and any communications or correspondence between or among Respondent and its officers, supervisors and/or agents regarding or referencing any of the policies/rules set forth in Item 28, including every instance of enforcement and/or violation of such policies/rules.*

Respondent objects to these Requests on the grounds that they are overly broad, unduly burdensome, seeking largely irrelevant information, and are not reasonably calculated to lead to the discovery of admissible evidence. First, Respondent objects to these Requests to the extent that the GC requests copies of Respondent’s policies which the Respondent provided during the administrative charge phase and are currently in the GC’s possession.

Second, Respondent’s Requests are entirely vague and fail to describe with sufficient particularity the information requested. For example, Request Nos. 27 and 28 seek documents

“as will show” policies or procedures “relating to Respondent’s employees,” their “skills and abilities,” “disciplinary policies or rules,” and “job performance.” Request No. 29 seeks “any” documents “regarding any” policy or rule referenced in Request No. 28 and “every instance or enforcement” of such rules and regulations. These Requests reasonably encompass every single document possessed by the Hotel touched by an employee – in other words, basically almost every single document the Respondent possesses. The Respondent should not be required to guess as to which documents the GC actually seeks, particularly given the disconnect between the rules and policies requested and the issues in this case.

Third, because of that vagueness, this Request is clearly overbroad and unduly burdensome. Respondent cannot even begin to contemplate the universe of documents sought by this request, and the time it would take to collect, review for privilege and relevance, and produce each and every one of those documents. These Requests are neither narrowly drafted nor practicable. NLRB Man. Part I § 11776; *see also Brink’s Inc.*, 281 NLRB at 468-69. At a minimum it would entail reviewing every one of some 1500 personnel files for discipline, transfers, promotions, performance reviews, layoffs, recalls, and discipline. (Peterson Aff. ¶¶ 9-10); (Swepton Aff. ¶ 5). Then it would entail having each and every one of its managers and supervisors and Human Resources personnel pull their files to see what they may have regarding the same, and to search its electronic databases basically for every personnel document. All of these would need to be reviewed for relevance to the Request and for privileged information. Needless to say, such a review would take hundreds of hours and the expenditure of many thousands of dollars. (Peterson Aff. ¶¶ 7-35); (Swepton Aff. ¶¶ 5-15).

Fourth, these Requests, given its overbreadth, clearly seek the production of irrelevant data and data that would not in any way lead to the production of relevant evidence. There is no

reason or basis for the GC needing to know employee skills and abilities, much less discipline, of some 700 current and hundreds of former employees -- none of whom are party to anything in this Complaint other than certain handbook policies Respondent already has admitted are in effect. Nor is there any relevance to seeking policies and procedures outside of those alleged violative in the Complaint. This is not a case about recall, layoff, or transfers. There also can be no relevance to obtaining discipline and transfer information for employees and former employees who have nothing to do with the allegations set forth in the Complaint. What relevance is it to this case whether the pool attendant in the summer of 2013 was disciplined by his pool supervisor, or transferred, or recalled to work in 2014? None whatsoever.

Further, as underscored by the Respondent's General Objections, the time frame of Request clearly seeks irrelevant information and documents dating from no less than two years prior to any alleged union activity at the premises.

Notwithstanding its objections, to the extent Respondent has separate written policies regarding the items listed in Request No. 28 beyond what is in its handbook, it will produce them.

*Request Nos. 44-49*

Request Nos. 44-49 seek various personnel documents and communications related to Martha Guzman, her discipline and termination, and alleged union activities.

With regard to Request No. 44, in which the GC seeks "[e]mployment applications, work histories, performance appraisals, disciplinary records," and "other documents and communications" that "traditionally" would be maintained in a personnel file "or its equivalent," that Request is entirely vague and fails to describe with sufficient particularity the information requested. Respondent should not be required to guess which documents the GC believes are "traditionally" maintained in personnel files or what constitutes the "equivalent" of a personnel

file. The Respondent also objects to the extent this Request seeks confidential employee information, including social security numbers, etc., that has no relevance to this case. Notwithstanding its objections, Respondent will produce Guzman's official personnel file after redacting it for personal employee information.

Moreover, Respondent objects to Requests to Requests 45-49, requesting documents or communications that "relate to" Guzman's discipline and termination, the reasons for her discipline and termination, the Respondent's investigation of the same, or Guzman's alleged union activities on the grounds that those Requests too are vague and ambiguous. These Requests could reasonably encompass each and every document tangentially related to attendance or any arguable "union activity." Notwithstanding its objections, Respondent will produce those non-privileged documents Respondent believes are responsive given the Complaint and after redacting for any employee personal information.

Further, consistent with the Respondent's General Objections, the time frame of Request clearly seeks irrelevant information and documents dating from no less than two years prior to any alleged union activity at the premises – data well outside the statute of limitations.

**Request No. 50**

Request 50 seeks attendance calendars and other documents used to record information about attendance for individuals employed by Respondent. This Request is entirely vague as to the information the GC seeks. To the extent the GC simply seeks template forms used to track attendance, Respondent will produce copies. To the extent this is a Request for over two years of attendance records for every single Hotel employee, such a Request is completely overbroad, unduly burdensome, and seeks the production of irrelevant information.

Respondent would be required to compile the attendance records for over 1500 employees employed during this time period, as well as search for each and every document that

could arguably have been “used to record information about attendance.” Respondent should not be required to incur the time and expense of responding to such a vague, overbroad, and altogether improper request. (Peterson Aff. ¶¶ 9-10, 35).

*Request Nos. 51-53*

Request Nos. 51-53 seek documents and communications related to the investigation, discipline, suspension, or discharge of Respondent’s employees for excessive absenteeism, habitual tardiness, and/or the same or similar reasons as Martha Guzman, including the personnel files and other related information for each employee.

Respondent objects to these Requests on the grounds that they are overbroad, unduly burdensome, seek documents covered by the attorney-client privilege and/or work product doctrine, and are not reasonably calculated to lead to the discovery of admissible evidence. First, the Request clearly is overbroad and there is simply no possible relevance to any disciplinary records of employees outside of the Housekeeping Department and any discipline whatsoever prior to February 2014. Alejandra Magana, Ms. Guzman’s Department Head who signed off on the termination, became Housekeeping Director in February 2014, and the Assistant Human Resources Director also signed off on her termination began working at the Hotel later in 2014. (Peterson Aff. ¶¶ 11-12). Discipline issued by other supervisors and human resources persons prior to that date is irrelevant, as is discipline of employees not falling under Magana’s department.

The Request also seeks irrelevant information to the extent it seeks disciplinary information regarding managers. Guzman was neither a manager nor a salaried employee, thus her situation is not at all applicable to that of management. Any Requests regarding disciplinary or related materials of managers is overbroad and irrelevant.

Second, the Request is unduly burdensome. Whether it is every employee in the Hotel for the past two years, or limited to non-managerial housekeeping employees since Ms. Magana became Department Head, the Request apparently not only includes the discipline and materials kept in the ordinary course if the discipline is in an employee's file, but every single document -- electronic or paper -- that might reference the discipline or bear any relation to the discipline. This would require not only review each and every employee personnel file, but then search any and all other locations where there may be records related to attendance of the employees -- time records, notes of call offs, etc. -- and also doing electronic searches on all electronic documents mentioning any employee or attendance matters. This would be unduly burdensome. (Peterson Aff. ¶¶ 7-35); (Swepston Aff. ¶¶ 5-15). The Respondent should not be required to dedicate an unreasonable amount of time and resources scouring each of these employee's records for responsive documents.

Further, Request No. 52, which seeks "[e]mployment applications, work histories, performance appraisals, disciplinary records," and "other documents and communications" that "traditionally" would be maintained in a personnel file "or its equivalent" for any of the identified employees is entirely vague and fails to describe with sufficient particularity the information requested. Respondent should not be required to guess which documents the GC believes are "traditionally" maintained in personnel files or what constitutes the "equivalent" of a personnel file. Request No. 52 is also overbroad and unduly burdensome to the extent it requires the Respondent to compile personnel records for approximately 830 employees beyond the Hotel's Housekeeping Department or who were investigated or disciplined for attendance issues long before the Union began its campaign or even before Housekeeping Director Magana was employed at the Hotel. (Peterson Aff. ¶¶ 11-12). Request No. 52 also seeks confidential

employee and non-employee information, including medical/health information, social security numbers, *etc.*, which has absolutely no relevance to this case. Indeed, personnel files contain pay information, personal employee contact information, medical requests, performance appraisals, training certificates, *etc.* – none of which have any relevance to anything in this case. Even if limited to non-managerial Housekeeping employees, and further limited to actual personnel files, Respondent would need to pull and copy approximately 600 personnel files and review each and every page for purposes of relevance and privilege. Such a Request is unduly burdensome.

Subject to and without waiving these objections, Respondent will produce responsive the attendance-related disciplinary records of non-managerial housekeeping employees from February 2014 to October 31 2015.

**Request No. 54**

Request No. 54 seeks:

*Employment applications, work histories, performance appraisals, disciplinary records, and other documents and communications that traditionally would be maintained in a personnel file or its equivalent for the following individuals: a. Celia Vargas; b. Eleuteria Blanco; c. Carmen Llarull; d. Rodolfo Aleman; e. Janet Vasquez; f. Iris Yanet; g. Ryan Aguayo; h. Jose Perez; i. Dora Rivera; j. Antonia de Lourdes Garcia; k. Maria Jaramillo; and l. Ofelia Diaz.*

The GC's Request for "[e]mployment applications, work histories, performance appraisals, disciplinary records," and "other documents and communications" that "traditionally" would be maintained in a personnel file "or its equivalent" for the identified is entirely vague and fails to describe with sufficient particularity the information requested. Respondent should not be required to guess which documents the GC believes are "traditionally" maintained in personnel files or what constitutes the "equivalent" of a personnel file. The Respondent also objects to the extent this Request seeks confidential employee information, including medical/health information, social security numbers, financial information, other personal

employee information. Not only is this data personal and confidential, it has no relevance at all to the allegations in this matter.

Moreover, Respondent objects to this Request to the extent it seeks personnel files of employees who are not named in the Complaint and thus are not at issue. Respondent sees no relevance to producing personnel records of Llarull, Aleman, Vasquez, Yanet, Aguayo, Perez, Rivera, Garcia, Jaramillo, and Diaz. The filing of a Complaint does not give the GC free reign to simply open any personnel files it wants to and disclose information about employees to the public.

Subject to and without waiving these objections, Respondent will produce those portions of the personnel files it keeps for the individuals identified above who are named in the Complaint which do not contain such personal and irrelevant data.

**Request No. 55**

Request No. 55 seeks:

*Copies of all position statements submitted by Respondent or its counsel to the National Labor Relations Board, Region 28 (Region 28), including all attachments and documents submitted therewith, during the period from April 2015, to the present.*

Request No. 55 should be revoked on the ground that it seeks attorney work-product in the form of position statements and accompanying exhibits that the Hotel already provided to the Region in connection with various unfair labor practice charges filed by the Union. The Board has made clear that “the work product doctrine as reflected in Rule 26(b)(3) of the Federal Rules of Civil Procedure applies to unfair labor practice proceedings, and specifically to a position statement submitted by counsel . . . during the General Counsel’s investigation.” *Kaiser Aluminum*, 339 NLRB 829 (2003). Further, a party “does not waive the work product privilege by submitting such a position statement to the General Counsel.” *Id.*

While *Kaiser Aluminum* specifically addressed the applicability of the work product doctrine to a charging party's position statement, its holding logically extends to position statements and work product of a respondent in an unfair labor practice investigation. *See e.g., UNITE HERE (Boyd Tunica, Inc.)*, 357 NLRB No. 14 (2011) (affirming ALJ who found "no logical reason why a position statement submitted by the lawyer for one party should be accorded the privilege but the position statement submitted by the lawyer for another party should not. Indeed, it would seem not merely asymmetrical but unfair for the position statement of one party's lawyer to be accorded the privilege but a similar statement from the other party's lawyer to be denied the privilege.").

Moreover, the GC cannot demonstrate any substantial need for the Respondent to produce its position statements and accompanying exhibits, given that they were filed with the Region during the administrative charge stage and are readily available to the GC already. *See Kaiser Aluminum*, 339 NLRB at 829.

#### Request Nos. 56-57

Request Nos. 56 and 57 seek documents Respondent relied upon as a factual basis for its denials and affirmative defenses provided in its Answer to the Second Amended Complaint. This Request is improper to the extent that it seeks privileged documents or communications or attorney work product. Subject to and without waiving these or the Respondent's General Objections, Respondent refers the GC to the documents submitted previously to the Region and those otherwise submitted in response to this Subpoena.

#### CONCLUSION

For the foregoing reasons, Respondent respectfully requests that the Regional Director grant its petition to revoke the Subpoena and grant it all further appropriate relief.

**DECLARATION OF JEFF PETERSON**

I, Jeff Peterson, based on my personal knowledge and pursuant to Section 102.31(b) of the National Labor Relations Board's Rules and Regulations, declare as follows:

1. I am over the age of 18, and I make this declaration based on my personal knowledge, my review of business records, and in consultation with others as noted below.
2. The Trump International Hotel Las Vegas ("Hotel") is owned by Respondent Trump Ruffin Commercial LLC.
3. I am employed by the Hotel and currently hold the position of Director of Human Resources. My responsibilities in this position include providing support and management services for all human resources systems for the Hotel.
4. I do not provide human resources services for any other entity or facility other than the Hotel.

5. The Hotel does not exercise meaningful control over the operations or employees of any other entity but the Hotel.

6. I have responsibility for coordinating the retrieval, compilation, and review paper and electronic documents and communications, including personnel information and other electronically stored information ("ESI") from January 1, 2013 until November 10, 2015 for Hotel employees in response to a Subpoena *Duces Tecum* ("Subpoena") served by counsel for the General Counsel of the National Labor Relations Board on November 3, 2015.

#### PERSONNEL FILES

7. My analysis of the requirements to produce the personnel records requested by the Subpoena is based on my knowledge of the Hotel's human resources procedures and review of Hotel employment data for the relevant time periods.

8. The Hotel does not store employee personnel files electronically nor are the Hotel's computer systems designed in a way that permits the Hotel to filter and extract all relevant personnel information requested by the Subpoena from employee personnel files.

9. Between January 1, 2013 and November 10, 2015, the Hotel has employed and maintained separate personnel files for one thousand ninety-two (1,492) individuals.

10. Of those 1,492 individuals, the Hotel has employed and maintained separate personnel files for five hundred ninety-six (596) individuals in its Housekeeping Department and sixty-three (63) individuals in its Security Department (659 total).

11. Between February 1, 2014 (the approximate date that Alejandra Magana took over as Director of Housekeeping) and November 10, 2015, the Hotel has employed and maintained separate personnel files for one thousand one hundred ninety-four (1,194) individuals.

12. Of those 1,194 individuals, the Hotel has employed and maintained separate personnel files for five hundred one (501) individuals in its Housekeeping Department.

13. The Hotel possesses the labor resources to assign two individuals, one Human Resources coordinator and one Paralegal, to retrieve the requested personnel files, to review the files' contents for relevant information, and to scan any relevant documents into a producible format.

14. On average, each reviewer must spend at least 10-12 minutes to retrieve, review, and scan each relevant personnel file.

15. The Hotel would require its reviewers to spend approximately 250-298 hours total (31.25 to 37.25 work days at 8 hours per day) of labor to retrieve, review, and scan the 1,492 personnel files potentially containing responsive information requested by the Subpoena between January 1, 2013 and November 10, 2015.

16. Assuming the two reviewers are capable of reviewing an equal number of personnel files, the Hotel will incur extensive overtime costs to comply with the Subpoena to the extent it requests information from these 1,492 personnel files.

17. Reviewing the personnel files for the 596 Housekeeping Department employees between January 1, 2013 and November 10, 2015 would require approximately 99-119 hours (approx. 12 to 15 work days at 8 hours per day) of labor. Reviewing the personnel files for the 63 Security Department employees alone between January 1, 2013 and November 10, 2015 would require approximately 10-13 hours of labor.

18. Assuming the two reviewers are capable of reviewing an equal number of personnel files, the Hotel will incur extensive overtime costs to comply with the Subpoena to the extent it requests information from these 659 personnel files.

19. Limiting the review to 1,194 individuals employed by the Hotel between February 1, 2014 (the approximate date that Alejandra Magana took over as Director of Housekeeping) and November 10, 2015, the Hotel would require its reviewers to spend approximately 199-239 hours (approx. 25 to 30 days of work at 8 hours per day) of labor to retrieve, review, and those personnel files requested by the Subpoena.

20. Assuming the two reviewers are capable of reviewing an equal number of personnel files, the Hotel will incur extensive overtime costs to comply with this portion of the Subpoena Requests.

21. The above does not account for any individual manager files or other miscellaneous documents which may contain an employee's personnel information, but which are not kept in an employee's official personnel file.

#### ESI REVIEW

22. I also conducted an analysis of the Hotel's Google-based email system and enterprise email archiving solution called Google Vault. I have coordinated with the Hotel's Assistant Information Technology ("IT") Manager, Brian Swepston, to conduct an analysis of the Hotel's computer databases in order to estimate the data volumes, estimated costs and time expenditures required to comply with the Subpoena.

23. I have reviewed the results of Mr. Swepston's investigation and understand that the Hotel's databases contain approximately 480 Gigabytes (GB) of emails, documents, and other ESI. The Hotel's systems are unable to accurately show the number of documents contained on its systems, but I reasonably estimate that it houses millions of documents.

24. Subpoena Requests Nos. 2-12 seek a number of documents, communications, and other information regarding Christina Keeran, Olivia Green, and Danny Slovak for the time

period of January 1, 2013 to November 10, 2013. Given the breadth of the Requests, the only reasonable method of gathering this information is to search the Hotel's databases for any emails and other documents referencing those individuals.

25. A query of the Hotel's databases for emails referencing Danny Slovak produced six thousand two hundred (6,200) emails. A query of the Hotel's databases for emails referencing Christina Keeran produced one hundred twenty one thousand (121,000) emails. A query of the Hotel's databases for emails referencing Olivia Green produced two hundred two thousand (202,000) emails. In total, 329,000 emails potentially referenced these three individuals from January 1, 2013 to November 10, 2015.

26. Assuming the Hotel's two reviewers are capable of reviewing these 329,000 emails at an average of one document per minute, the Hotel will incur over \$100,000 in labor costs to comply with the Subpoena to the extent it requests information regarding Slovak, Keeran, and Green from January 1, 2013 to November 10, 2015.

27. Request Nos. 18-19, and 21 seek all communications, documents and information related to communications between and among the Hotel's "officers, supervisors, and/or agents," as well as employees referencing the words "union," "unionization," "representation petition," "union organizing," or "pay and wage complaints."

28. I reasonably believe that emails and other documents in this query likely contain emails and other correspondence by employees regarding unions.

29. Nevertheless, a query of the Hotel's databases for emails containing the words "union" and "unionization" produced 228 compressed files containing approximately 6 Gigabytes (GB) of data. The top ten largest files of the 228 compressed files contains

approximately five thousand one hundred and seventy emails (5,170), while I reasonably estimate the remaining 218 compressed files to contain over 50,000 emails.

30. It takes approximately three minutes to convert each file from the .zip format to a reviewable format. In total, it would require Mr. Swepston over to spend approximately 11 hours simply to convert these 228 compressed files into a reviewable format. The Hotel would incur labor costs of over \$500 to convert the files potentially responsive to Requests 18-19, and 21.

31. Within these compressed files, the query produced for the word "union" produced 2,400 separate emails; "unionization" produced 600 emails; "pay" produced 690,000 thousand emails, and "wage" produced 9,200 emails. In total, 702,200 emails potentially referenced these terms from January 1, 2013 to November 10, 2015.

32. Assuming the Hotel's two reviewers are capable of reviewing these emails at an average of one document per minute, the review would take approximately 11,703 hours - over 4 years - to complete. The Hotel would incur between \$200,000 and \$250,000 in labor costs to comply with the Subpoena.

33. I understand that, once collected, ESI must also be processed before loading into an attorney review platform prior to production. The Hotel will require significant costs and burdens to process data from the Hotel's databases.

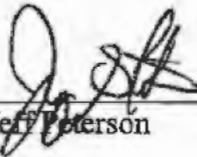

34. I also understand that the Hotel's attorneys will be retained to review ESI and determine relevance, responsiveness or privilege on a document-by-document basis. I understand that attorney review is time intensive and expensive and that the Hotel will incur significant costs and burdens to review ESI data requested by the Subpoena.

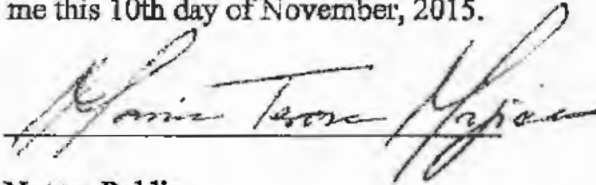

35. The collection, review, and export of large volumes of personnel files, emails, and other electronic documents are not part of normal business operations and would be a substantial disruption to my normal duties supporting the Hotel's human resource services, as well as the Hotel's operations overall.

I declare under penalty of perjury that the foregoing is true and correct.

Executed on November 10, 2015.

**DECLARATION OF BRIAN SWEPSTON**

I, Brian Swepston, based on my personal knowledge and pursuant to Section 102.31(b) of the National Labor Relations Board's Rules and Regulations, declare as follows:

1. I am over the age of 18, and I make this declaration based on my personal knowledge, my review of business records, and in consultation with others as noted below.
2. I am employed by Trump International Hotel Las Vegas ("Hotel" or "Respondent") and hold the position of Assistant Information Technology ("IT") Manager, a position I held since March 24, 2008. My responsibilities include of maintaining the email infrastructure and document retention databases the Hotel. Based on my experience in the Hotel's IT Department, I am also familiar with where Hotel employees store other electronic documents besides email.
3. I do not provide IT services for any other entity or facility other than the Hotel.

4. On instruction from Human Resources Director Jeff Peterson, I was asked to determine the number and volume (in Gigabytes) of emails and other electronically stored information (“ESI”) in the Hotel’s possession related to a Subpoena *Duces Tecum* (“Subpoena”) served by counsel for the General Counsel of the National Labor Relations Board on November 3, 2015.

5. The Hotel does not store employee personnel files electronically nor are the Hotel’s computer systems designed in a way that permits the Hotel to filter and extract all relevant personnel information requested by the Subpoena from employee personnel files.

6. I conducted an analysis of the Hotel’s Google-based email system and enterprise email archiving solution called Google Vault to estimate the data volumes, estimated costs and time expenditures required to comply with the Subpoena.

7. The Hotel’s databases contain approximately 480 Gigabytes (GB) of emails, documents, and other ESI. The Hotel’s systems are unable to accurately show the number of documents contained on its systems, but I reasonably estimate that it houses millions of documents.

8. Subpoena Requests Nos. 2-12 seek a number of documents, communications, and other information regarding Christina Keeran, Olivia Green, and Danny Slovak for the time period of January 1, 2013 to November 10, 2013.

9. A query of the Hotel’s databases for emails referencing Danny Slovak produced six thousand two hundred (6,200) emails. A query of the Hotel’s databases for emails referencing Christina Keeran produced one hundred twenty one thousand (121,000) emails. A query of the Hotel’s databases for emails referencing Olivia Green produced two hundred two

thousand (202,000) emails. In total, 329,000 emails potentially referenced these three individuals from January 1, 2013 to November 10, 2015.

10. Request Nos. 18-19, and 21 seek all communications, documents and information related to communications between and among the Hotel's "officers, supervisors, and/or agents," as well as employees referencing the words "union," "unionization," "representation petition," "union organizing," or "pay and wage complaints."

11. A query of the Hotel's databases for emails containing the words "union" and "unionization" produced 228 compressed files containing approximately 6 Gigabytes (GB) of data. The top ten largest files of the 228 compressed files contain approximately five thousand one hundred and seventy emails (5,170). The remaining 218 compressed files reasonably contain over 50,000 emails.

12. It takes approximately three minutes to convert each file from the .zip format to a reviewable format. In total, it would take approximately 11 hours of time for me to convert these 228 compressed files into a reviewable format.

13. Within these compressed files, the query for the word "union" produced 2,400 separate emails; "unionization" produced 600 emails; "pay" produced 690,000 thousand emails, and "wage" produced 9,200 emails. In total, 702,200 emails potentially referenced these terms from January 1, 2013 to November 10, 2015.

14. Once collected, ESI must be processed before loading into an attorney review platform prior to production.

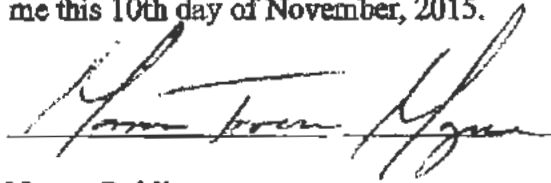

15. The collection, review, and export of large volumes of personnel files, emails, and other electronic documents are not part of normal business operations for the IT Department and would be a substantial disruption to my normal duties supporting the Hotel's IT systems.

I declare under penalty of perjury that the foregoing is true and correct.

Executed on November 10, 2015.

An answer may also be filed electronically through the Agency's website. To file electronically, go to [www.nlr.gov](http://www.nlr.gov), click on **E-File Documents**, enter the NLRB Case Number, and follow the detailed instructions. The responsibility for the receipt and usability of the answer rests exclusively upon the sender. If the answer being

filed electronically is a pdf document containing the required signature, no paper copies of the answer need to be transmitted to the Regional Office. However, if the electronic version of an answer to a complaint is not a pdf file containing the required signature, then the E-filing rules require that such answer containing the required signature continue to be submitted to the Regional Office by traditional means within three (3) business days after the date of electronic filing. Service of the answer on each of the other parties must still be accomplished by means allowed under the Board's Rules and Regulations. The answer may not be filed by facsimile transmission. If no answer is filed, or if an answer is filed untimely, the Board may find, pursuant to a Motion for Default Judgment, that the allegations in the consolidated complaint are true.

## Procedures in NLRB Unfair Labor Practice Hearings

The attached complaint has scheduled a hearing that will be conducted by an administrative law judge (ALJ) of the National Labor Relations Board who will be an independent, impartial finder of facts and applicable law. **You may be represented at this hearing by an attorney or other representative.** If you are not currently represented by an attorney, and wish to have one represent you at the hearing, you should make such arrangements as soon as possible. A more complete description of the hearing process and the ALJ's role may be found at Sections 102.34, 102.35, and 102.45 of the Board's Rules and Regulations. The Board's Rules and regulations are available at the following link: [www.nlr.gov/sites/default/files/attachments/basic-page/node-1717/rules\\_and\\_regs\\_part\\_102.pdf](http://www.nlr.gov/sites/default/files/attachments/basic-page/node-1717/rules_and_regs_part_102.pdf).

The NLRB allows you to file certain documents electronically and you are encouraged to do so because it ensures that your government resources are used efficiently. To e-file go to the NLRB's website at [www.nlr.gov](http://www.nlr.gov), click on "e-file documents," enter the 10-digit case number on the complaint (the first number if there is more than one), and follow the prompts. You will receive a confirmation number and an e-mail notification that the documents were successfully filed.

**Although this matter is set for trial, this does not mean that this matter cannot be resolved through a settlement agreement.** The NLRB recognizes that adjustments or settlements consistent with the policies of the National Labor Relations Act reduce government expenditures and promote amity in labor relations and encourages the parties to engage in settlement efforts.

### I. BEFORE THE HEARING

The rules pertaining to the Board's pre-hearing procedures, including rules concerning filing an answer, requesting a postponement, filing other motions, and obtaining subpoenas to compel the attendance of witnesses and production of documents from other parties, may be found at Sections 102.20 through 102.32 of the Board's Rules and Regulations. In addition, you should be aware of the following:

- **Special Needs:** If you or any of the witnesses you wish to have testify at the hearing have special needs and require auxiliary aids to participate in the hearing, you should notify the Regional Director as soon as possible and request the necessary assistance. Assistance will be provided to persons who have handicaps falling within the provisions of Section 504 of the Rehabilitation Act of 1973, as amended, and 29 C.F.R. 100.603.
- **Pre-hearing Conference:** One or more weeks before the hearing, the ALJ may conduct a telephonic prehearing conference with the parties. During the conference, the ALJ will explore whether the case may be settled, discuss the issues to be litigated and any logistical issues related to the hearing, and attempt to resolve or narrow outstanding issues, such as disputes relating to subpoenaed witnesses and documents. This conference is usually not recorded, but during the hearing the ALJ or the parties sometimes refer to discussions at the pre-hearing conference. You do not have to wait until the prehearing conference to meet with the other parties to discuss settling this case or any other issues.

### II. DURING THE HEARING

The rules pertaining to the Board's hearing procedures are found at Sections 102.34 through 102.43 of the Board's Rules and Regulations. Please note in particular the following:

- **Witnesses and Evidence:** At the hearing, you will have the right to call, examine, and cross-examine witnesses and to introduce into the record documents and other evidence.

- **Exhibits:** Each exhibit offered in evidence must be provided in duplicate to the court reporter and a copy of each exhibit should be supplied to the ALJ and each party when the exhibit is offered in evidence. If a copy of any exhibit is not available when the original is received, it will be the responsibility of the party offering such exhibit to submit the copy to the ALJ before the close of hearing. If a copy is not submitted, and the filing has not been waived by the ALJ, any ruling receiving the exhibit may be rescinded and the exhibit rejected.
- **Transcripts:** An official court reporter will make the only official transcript of the proceedings, and all citations in briefs and arguments must refer to the official record. The Board will not certify any transcript other than the official transcript for use in any court litigation. Proposed corrections of the transcript should be submitted, either by way of stipulation or motion, to the ALJ for approval. Everything said at the hearing while the hearing is in session will be recorded by the official reporter unless the ALJ specifically directs off-the-record discussion. If any party wishes to make off-the-record statements, a request to go off the record should be directed to the ALJ.
- **Oral Argument:** You are entitled, on request, to a reasonable period of time at the close of the hearing for oral argument, which shall be included in the transcript of the hearing. Alternatively, the ALJ may ask for oral argument if, at the close of the hearing, it is believed that such argument would be beneficial to the understanding of the contentions of the parties and the factual issues involved.
- **Date for Filing Post-Hearing Brief:** Before the hearing closes, you may request to file a written brief or proposed findings and conclusions, or both, with the ALJ. The ALJ has the discretion to grant this request and will set a deadline for filing, up to 35 days.

### III. AFTER THE HEARING

The Rules pertaining to filing post-hearing briefs and the procedures after the ALJ issues a decision are found at Sections 102.42 through 102.48 of the Board's Rules and Regulations. Please note in particular the following:

- **Extension of Time for Filing Brief with the ALJ:** If you need an extension of time to file a post-hearing brief, you must follow Section 102.42 of the Board's Rules and Regulations, which requires you to file a request with the appropriate chief or associate chief administrative law judge, depending on where the trial occurred. You must immediately serve a copy of any request for an extension of time on all other parties and furnish proof of that service with your request. You are encouraged to seek the agreement of the other parties and state their positions in your request.
- **ALJ's Decision:** In due course, the ALJ will prepare and file with the Board a decision in this matter. Upon receipt of this decision, the Board will enter an order transferring the case to the Board and specifying when exceptions are due to the ALJ's decision. ## Procedures in NLRB Unfair Labor Practice Hearings

The attached complaint has scheduled a hearing that will be conducted by an administrative law judge (ALJ) of the National Labor Relations Board who will be an independent, impartial finder of facts and applicable law. **You may be represented at this hearing by an attorney or other representative.** If you are not currently represented by an attorney, and wish to have one represent you at the hearing, you should make such arrangements as soon as possible. A more complete description of the hearing process and the ALJ's role may be found at Sections 102.34, 102.35, and 102.45 of the Board's Rules and Regulations. The Board's Rules and regulations are available at the following link: [www.nlr.gov/sites/default/files/attachments/basic-page/node-1717/rules and regs part 102.pdf](http://www.nlr.gov/sites/default/files/attachments/basic-page/node-1717/rules_and_regs_part_102.pdf).

The NLRB allows you to file certain documents electronically and you are encouraged to do so because it ensures that your government resources are used efficiently. To e-file go to the NLRB's website at [www.nlr.gov](http://www.nlr.gov), click on "e-file documents," enter the 10-digit case number on the complaint (the first number if there is more than one), and follow the prompts. You will receive a confirmation number and an e-mail notification that the documents were successfully filed.

**Although this matter is set for trial, this does not mean that this matter cannot be resolved through a settlement agreement.** The NLRB recognizes that adjustments or settlements consistent with the policies of the National Labor Relations Act reduce government expenditures and promote amity in labor relations and encourages the parties to engage in settlement efforts.

### I. BEFORE THE HEARING

The rules pertaining to the Board's pre-hearing procedures, including rules concerning filing an answer, requesting a postponement, filing other motions, and obtaining subpoenas to compel the attendance of witnesses and production of documents from other parties, may be found at Sections 102.20 through 102.32 of the Board's Rules and Regulations. In addition, you should be aware of the following:

- **Special Needs:** If you or any of the witnesses you wish to have testify at the hearing have special needs and require auxiliary aids to participate in the hearing, you should notify the Regional Director as soon as possible and request the necessary assistance. Assistance will be provided to persons who have handicaps falling within the provisions of Section 504 of the Rehabilitation Act of 1973, as amended, and 29 C.F.R. 100.603.
- **Pre-hearing Conference:** One or more weeks before the hearing, the ALJ may conduct a telephonic prehearing conference with the parties. During the conference, the ALJ will explore whether the case may be settled, discuss the issues to be litigated and any logistical issues related to the hearing, and attempt to resolve or narrow outstanding issues, such as disputes relating to subpoenaed witnesses and documents. This conference is usually not recorded, but during the hearing the ALJ or the parties sometimes refer to discussions at the pre-hearing conference. You do not have to wait until the prehearing conference to meet with the other parties to discuss settling this case or any other issues.

### II. DURING THE HEARING

The rules pertaining to the Board's hearing procedures are found at Sections 102.34 through 102.43 of the Board's Rules and Regulations. Please note in particular the following:

- **Witnesses and Evidence:** At the hearing, you will have the right to call, examine, and cross-examine witnesses and to introduce into the record documents and other evidence.

- **Exhibits:** Each exhibit offered in evidence must be provided in duplicate to the court reporter and a copy of each exhibit should be supplied to the ALJ and each party when the exhibit is offered in evidence. If a copy of any exhibit is not available when the original is received, it will be the responsibility of the party offering such exhibit to submit the copy to the ALJ before the close of hearing. If a copy is not submitted, and the filing has not been waived by the ALJ, any ruling receiving the exhibit may be rescinded and the exhibit rejected.
- **Transcripts:** An official court reporter will make the only official transcript of the proceedings, and all citations in briefs and arguments must refer to the official record. The Board will not certify any transcript other than the official transcript for use in any court litigation. Proposed corrections of the transcript should be submitted, either by way of stipulation or motion, to the ALJ for approval. Everything said at the hearing while the hearing is in session will be recorded by the official reporter unless the ALJ specifically directs off-the-record discussion. If any party wishes to make off-the-record statements, a request to go off the record should be directed to the ALJ.
- **Oral Argument:** You are entitled, on request, to a reasonable period of time at the close of the hearing for oral argument, which shall be included in the transcript of the hearing. Alternatively, the ALJ may ask for oral argument if, at the close of the hearing, it is believed that such argument would be beneficial to the understanding of the contentions of the parties and the factual issues involved.
- **Date for Filing Post-Hearing Brief:** Before the hearing closes, you may request to file a written brief or proposed findings and conclusions, or both, with the ALJ. The ALJ has the discretion to grant this request and will set a deadline for filing, up to 35 days.

### III. AFTER THE HEARING

The Rules pertaining to filing post-hearing briefs and the procedures after the ALJ issues a decision are found at Sections 102.42 through 102.48 of the Board's Rules and Regulations. Please note in particular the following:

- **Extension of Time for Filing Brief with the ALJ:** If you need an extension of time to file a post-hearing brief, you must follow Section 102.42 of the Board's Rules and Regulations, which requires you to file a request with the appropriate chief or associate chief administrative law judge, depending on where the trial occurred. You must immediately serve a copy of any request for an extension of time on all other parties and furnish proof of that service with your request. You are encouraged to seek the agreement of the other parties and state their positions in your request.
- **ALJ's Decision:** In due course, the ALJ will prepare and file with the Board a decision in this matter. Upon receipt of this decision, the Board will enter an order transferring the case to the Board and specifying when exceptions are due to the ALJ's decision. The Board will serve copies of that order and the ALJ's decision on all parties.
- **Exceptions to the ALJ's Decision:** The procedure to be followed with respect to appealing all or any part of the ALJ's decision (by filing exceptions with the Board), submitting briefs, requests for oral argument before the Board, and related matters is set forth in the Board's Rules and Regulations, particularly in Section 102.46 and following sections. A summary of the more pertinent of these provisions will be provided to the parties with the order transferring the matter to the Board.

UNITED STATES GOVERNMENT  
NATIONAL LABOR RELATIONS BOARD  
SETTLEMENT AGREEMENT

IN THE MATTER OF

Trump Ruffin Commercial LLC

Cases 27-CA-130526,  
27-CA-133830

Subject to the approval of the Regional Director for the National Labor Relations Board, the Charged Party and the Charging Party **HEREBY AGREE TO SETTLE THE ABOVE MATTER AS FOLLOWS:**

**POSTING OF NOTICE** — After the Regional Director has approved this Agreement, the Regional Office will send copies of the approved Notice to the Charged Party in English and in additional languages if the Regional Director decides that it is appropriate to do so. A responsible official of the Charged Party will then sign and date those Notices and immediately post them in its facility located in Las Vegas, Nevada. The Charged Party will keep all Notices posted for 60 consecutive days after the initial posting.

**COMPLIANCE WITH NOTICE** — The Charged Party will comply with all the terms and provisions of said Notice.

**NON-ADMISSION CLAUSE** — By entering into this Settlement Agreement, the Charged Party does not admit that it has violated the National Labor Relations Act.

**SCOPE OF THE AGREEMENT** — This Agreement settles only the allegations in the above-captioned case(s), and does not settle any other case(s) or matters. It does not prevent persons from filing charges, the General Counsel from prosecuting complaints, or the Board and the courts from finding violations with respect to matters that happened before this Agreement was approved regardless of whether General Counsel knew of those matters or could have easily found them out. The General Counsel reserves the right to use the evidence obtained in the investigation and prosecution of the above-captioned case(s) for any relevant purpose in the litigation of this or any other case(s), and a judge, the Board and the courts may make findings of fact and/or conclusions of law with respect to that evidence. By approving this Agreement the Regional Director withdraws any Complaint(s) and Notice(s) of Hearing previously issued in the above case(s), and the Charged Party withdraws any answer(s) filed in response.

This Agreement does not prevent the Charged Party from holding Direct Line meetings, Trump Talk meetings or other department meetings with employees consistent with the Act. In doing so, however, the Charged Party may not impliedly promise to remedy employee grievances in order to discourage employees from supporting a union.

**PARTIES TO THE AGREEMENT** — If the Charging Party fails or refuses to become a party to this Agreement and the Regional Director determines that it will promote the policies of the National Labor Relations Act, the Regional Director may approve the settlement agreement and decline to issue or reissue a Complaint in this matter. If that occurs, this Agreement shall be between the Charged Party and the undersigned Regional Director. In that case, a Charging Party may request review of the decision to approve the Agreement. If the General Counsel does not sustain the Regional Director's approval, this Agreement shall be null and void.

**AUTHORIZATION TO PROVIDE COMPLIANCE INFORMATION AND NOTICES DIRECTLY TO CHARGED PARTY** — Counsel for the Charged Party authorizes the Regional Office to forward the cover letter describing the general expectations and instructions to achieve compliance, a conformed settlement, original notices and a certification of posting directly to the Charged Party. If such authorization is granted, Counsel will be simultaneously served with a courtesy copy of these documents.

No.	6

Yes      Initials      No      Initials

**PERFORMANCE** — Performance by the Charged Party with the terms and provisions of this Agreement shall commence immediately after the Agreement is approved by the Regional Director, or if the Charging Party does not enter into this Agreement, performance shall commence immediately upon receipt by the Charged Party of notice that no review has been requested or that the General Counsel has sustained the Regional Director.

The Charged Party agrees that in case of non-compliance with any of the terms of this Settlement Agreement by the Charged Party involving this location within twelve (12) months of the approval of this Settlement Agreement, and after 14 days notice from the Regional Director of the National Labor Relations Board of such non-compliance without remedy by the Charged Party, the Regional Director will reissue the complaint previously issued on November 25, 2014 in the instant cases. Thereafter, the General Counsel may file a motion for default judgment with the Board on the allegations of the complaint. The Charged Party understands and agrees that the allegations of the aforementioned complaint will be deemed admitted and its Answer to such complaint will be considered withdrawn. The only issue that may be raised before the Board is whether the Charged Party defaulted on the terms of this Settlement Agreement. The Board may then, without necessity of trial or any other proceeding, find all allegations of the complaint to be true and make findings of fact and conclusions of law consistent with those allegations adverse to the Charged Party on all issues raised by the pleadings. The Board may then issue an order providing a full remedy for the violations found as is appropriate to remedy such violations. The parties further agree that a U.S. Court of Appeals Judgment may be entered enforcing the Board order ex parte, after service or attempted service upon Charged Party/Respondent at the last address provided to the General Counsel.

**NOTIFICATION OF COMPLIANCE** — Each party to this Agreement will notify the Regional Director in writing what steps the Charged Party has taken to comply with the Agreement. This notification shall be given within 5 days, and again after 60 days, from the date of the approval of this Agreement. If the Charging Party does not enter into this Agreement, initial notice shall be given within 5 days after notification from the Regional Director that the Charging Party did not request review or that the General Counsel sustained the Regional Director's approval of this agreement. No further action shall be taken in the above captioned case(s) provided that the Charged Party complies with the terms and conditions of this Settlement Agreement and Notice.

We have prepared this associate handbook to familiarize you with the Hotel and its philosophy, and provide you with information about working conditions, associate benefits and some of the policies affecting your employment. You should read this handbook carefully, comply with all of its provisions and keep a copy for future reference. Remember, this handbook is only intended to provide a general summary of the policies and benefits of employment with the Hotel. This handbook is not intended as a contract of employment, nor is it a guarantee of continued employment, and should not be viewed or construed as the basis of any contractual obligations of the Hotel.

This handbook replaces all prior handbooks and previously issued descriptions of Hotel policies, practices, procedures and benefits. The Hotel reserves the right to suspend, modify, rescind or amend any provision in this handbook at any time, even without notice. Nothing in this handbook changes the at-will nature of your employment with the Hotel. Employment at-will means that your employment with the Hotel is voluntarily entered into, and you are free to resign, at any time, with or without notice or cause. Similarly, the Hotel may terminate your employment, at any time, with or without notice or cause. No representative of the Hotel, other than the Managing Director of the Hotel, has authority to enter into any agreement with you for employment for any specified period of time, or to otherwise modify the at-will nature of your employment relationship. Any such agreement must be in writing and signed by both you and the Managing Director of the Hotel.

Your Department Manager and the Human Resources Department will be your primary sources of information regarding your employment. Please do not hesitate to ask questions or make suggestions.

## TRUMP SERVICE BASICS

### **Anticipate guest's needs**

Provide our guests/owners with their unexpressed wishes and strive to enhance each guest's experience by going beyond his/her usual request.

### **Nothing less than 100%**

Know your internal and external customer.

Know guest expectations. When guests express concern; be genuinely apologetic but most importantly take ownership and follow up in 15 minutes to ensure satisfaction. Never lose a guest. 100% satisfaction is the responsibility of each associate.

### **Know your product**

Be the expert as it relates to details surrounding your hotel destination and job function. Be enthusiastically conversant relative to the key points in each of these areas.

### **Never say No**

Every guest request can be fulfilled. If for any reason you are unable to meet the guest's expectations, be creative and offer other options. When you don't know the answer to a question, find someone who does.

### **Each guest has a name**

Remember to use a guest's name whenever possible. Doing so makes them feel welcome and right at home.

### **Use TIHLV telephone etiquette**

The telephone is often a guest's first impression. Always use proper telephone etiquette. Answer the telephone within three rings with great enthusiasm and a smile in your voice. Use a pleasant greeting, state your name, department, and ask "how may I assist you." Never place a guest on hold without asking them first.

### **The 10/5 rule**

Whenever you are within 10 feet of a guest, make eye contact with a genuine smile. Whenever you are within 5 feet of a guest, acknowledge them with a warm and sincere greeting.

**Escort our guests**

Make our guests feel at home. When they ask you for directions, do not point. Escort them to a point where they feel comfortable with directions given.

**Extend courtesy**

We are here for one reason, and that is to provide the ultimate guest satisfaction. Always go out of your way to extend common courtesy. Always allow guests to enter or exit the elevator first. Never interrupt a guest when he/she is speaking. Use polite and non scripted expressions of gratitude.

**Let your personality show**

One of the reasons you were hired is your charisma and personality. We want you to use these great traits. Guests thoroughly enjoy being part of an environment where associates can be themselves and at the same time act as true professionals.

**Have some fun**

Do whatever you can to create a pleasurable environment where your actions insure our guests leave the Hotel with a positive memory and an anticipation of a return visit.

## **GENERAL EMPLOYMENT POLICIES**

### **At-Will Employment**

Employment with the Hotel is "at will," which means that either the Hotel or the associate may terminate the employment relationship at any time, with or without notice or cause. No representative of the Hotel, other than the Managing Director, has authority to enter into any agreement with you for employment for any specified period of time, or to otherwise modify the at-will nature of your employment relationship. Any such agreement must be in writing and signed by both you and the Managing Director.

### **Introductory Period**

It is the policy of TIHLV that all new associates will be in an introductory period for the first 90 calendar days of employment. Associates transferred and/or promoted into a new/different position will be required to serve a new introductory period. This introductory period is an opportunity for the associate to evaluate whether the Hotel fits their career goals and provides the Hotel with an initial opportunity to assess the associate's ability level.

The Hotel may extend, upon written notice, the duration of the introductory period if it determines, in its sole discretion, that such an extension is appropriate. The employment relationship can be terminated by either party at any time during or after the introductory period, with or without notice or cause. Successful completion of the introductory period is not a guarantee of continued employment or of any set term of employment. If the introductory period is extended for an associate who would otherwise be benefit eligible, the associate's benefit status will not be impacted by an extension of the introductory period.

Associates will earn, but will not be able to use any Paid Time Off during their new-hire introductory period.

#### **EMPLOYMENT ELIGIBILITY**

It is the policy of TIHLV to comply with all federal immigration laws, including the Immigration Reform and Control Act of 1986. Accordingly, it is the policy of TIHLV to hire and employ only those individuals who are lawfully authorized for employment in the United States.

To comply with federal immigration law, TIHLV must collect certain information and review certain documentation concerning the employment authorization of new associates. This information and documentation will be used only for compliance with applicable laws and will not be used for any employment related decisions or for any other unlawful purpose. Failure to provide such information and documentation within the time specified by TIHLV will result in termination of employment. If your authorization for employment changes or terminates after the start date of your employment, you are required to inform the Human Resources Director immediately.

#### **EMPLOYMENT OF RELATIVES**

While TIHLV does not wish to deprive itself of the services of potentially valuable Associates by establishing a policy excluding the employment of relatives, it must be acknowledged, that such employment can result in the appearance of a conflict of interest, collusion, favoritism and other undesirable work environment conditions.

Therefore, management reserves the right to limit the employment of relatives in situations within the company if a conflict of interest is deemed to exist. A relative may not work under the direct or indirect supervision of a relative. Relatives may not work in situations that create the possibility of conflicts of interest including within the same department without specific written consent of both the Director of Human Resources and the property's General Manager.

For purposes of this policy, a "relative" is an individual related by blood, marriage or adoption. Additionally, any person who is dating or co-habiting in the same living quarters would also be considered a relative under this policy.

Associates who work in the following departments may not have a "relative" or "cohabitant" be employed under any circumstances, unless specifically approved by the Managing Director.

- Human Resources
- Members of the Executive Committee
- Finance Department (including IT and Payroll)
- Security

In situations where marriage or co-habitation subsequent to employment creates a potential conflict, one of the associates involved will be required to transfer, be rescheduled, asked to change jobs or terminated to avoid actual or perceived conflicts of interest, avoid morale problems and to maintain

the security of the property. Each situation will be handled based upon its own unique circumstances, the availability of positions and the specific qualifications of the individuals involved.

Human Resources is responsible for the administration of the relatives' policy. If an associate has or develops a relationship which would be the subject of this policy, it is the associates' duty to notify Human Resources in writing within 7 days.

### **EQUAL EMPLOYMENT OPPORTUNITY (EEO)**

TIHLV is an equal opportunity employer. TIHLV employs qualified individuals based solely on ability, training and experience. Therefore, TIHLV does not and will not, discriminate for or against any associate or applicant for employment based upon race, color, religion, age, sex, disability, national origin, sexual orientation or any other classification protected by applicable law. This policy applies to all areas of employment and all activities of TIHLV including, but not limited to, recruiting, hiring, training, promotion, demotion, discipline, transfer, termination, compensation, and other terms and conditions of employment. Every associate is responsible for complying with this policy.

Any associate with questions or concerns about equal opportunity employment in the workplace are encouraged to bring them to the Human Resources Director. TIHLV will not tolerate any form of retaliation against any individual who raises questions or concerns of equal opportunity employment. Violation of this equal opportunity policy will lead to discipline, up to and including termination of employment.

### **REASONABLE ACCOMMODATIONS**

TIHLV is firmly committed to complying with the Americans with Disabilities Act and other federal and state legislation designed to ensure equal employment opportunities to persons with disabilities. Accordingly, the Hotel prohibits discrimination on the basis of disability in regard to all employment practices and terms, conditions and privileges of employment.

Consistent with this policy, the Hotel will make reasonable accommodation to the known disability of a qualified applicant or associate, in accordance with applicable law. If you are disabled and you believe that you need a reasonable accommodation to perform the essential functions of your job, please contact Human Resources Department.

TIHLV also will make reasonable accommodation to the religious beliefs of our associates in accordance with applicable law.

### **POLICY PROHIBITING HARASSMENT IN THE WORK PLACE**

The Hotel is committed to providing a working environment free from harassment where all associates are treated with dignity, respect and courtesy. Each associate has the right to work in a professional atmosphere. To that end, the Hotel prohibits discriminatory practices, including sexual harassment and harassment based on race, color, religion, age, sex, disability, national origin, or any other characteristic protected by applicable law. Harassment, whether verbal, physical or environmental, is unacceptable and will not be tolerated by the Hotel.

The purpose of this policy prohibiting harassment is to educate all of our associates about what may constitute harassment, to notify everyone who works here that the Hotel will not condone or tolerate harassment, and to establish a procedure which encourages anyone who feels they have been subjected to harassment to report such conduct to representatives of the Hotel.

Definition of Harassment Based on Race, Color, Religion, Age, Sex, Disability, National Origin, or any Other Characteristic Protected by Applicable Law.

Harassment is verbal, non-verbal or physical conduct that denigrates or shows hostility or aversion towards an individual because of the race, color, religion, age, sex, disability, national origin, or any other characteristic protected by applicable law of that individual or persons with whom the individual associates. For example, racial harassment includes harassment based on an immutable characteristic associated with race (e.g., skin color or facial features). Similarly, religious harassment may include demands that an associate alter or renounce some religious belief in exchange for job benefits. TIHLV prohibits behavior based on a person's race, color, religion, age, sex, disability, national origin, or any other characteristic protected by applicable law that: (1) has the purpose or effect of creating an intimidating, hostile or offensive work environment; (2) has the purpose or effect of unreasonably interfering with an individual's work performance; or (3) otherwise adversely affects an individual's employment opportunities.

Regardless of whether any single instance of improper behavior rises to the level of harassment prohibited by law, it is TIHLV's policy that such behavior is inappropriate and offensive, and will not be tolerated. Examples of behavior that violate this policy and may constitute harassing conduct include, but are not limited to any of the following actions, if based on race, color, religion, age, sex, disability, national origin, or any other characteristic protected by applicable law:

- epithets, slurs, quips, or negative stereotyping;
- threatening, intimidating or hostile acts;
- written or graphic material (including graffiti) that denigrates or shows hostility or aversion toward an individual or group; or
- "jokes", "pranks" or other forms of "humor" that are demeaning or hostile.

**DEFINITION OF SEXUAL HARASSMENT**

For purposes of this policy, sexual harassment includes unwelcome or unwanted sex-based conduct: (1) when an associate's submission to or rejection of this conduct affects decisions regarding hiring, evaluation, promotion or any other aspect of employment; (2) when such conduct substantially interferes with an individual's employment or creates an intimidating, hostile or offensive work environment.

The Hotel prohibits any inappropriate or offensive behavior including, but not limited to:

- Coerced sexual acts;
- Express or implied demands for sexual favors in exchange for favorable reviews, assignments, promotions, continued employment or promises of continued employment;
- Touching or assaulting an individual's body, or staring, in a sexual manner;
- Graphic, verbal commentary about an individual's body or sexuality;

- Unwelcome or offensive sexual jokes, sexual language, sexual epithets, sexual gossip, sexual comments or sexual inquiries;
- Unwelcome flirtations, advances, or propositions;
- Sexually suggestive or obscene comments or gestures;
- The display in the workplace of graphic and sexually suggestive objects, pictures or graffiti;
- Negative statements or disparaging remarks targeted at one sex (either men or women), even if the content of the verbal abuse is not sexual in nature; or
- Any form of retaliation against an associate for complaining about the type of behavior described above.

The type of behavior described above as examples of sexual harassment or harassment based on protected characteristics is unacceptable not only in the workplace, but also in other work-related settings such as business trips or business-related social events. This policy prohibits such harassing conduct whether done verbally or non-verbally, including through e-mail or other Hotel electronic systems.

#### Individuals Covered by this Policy

This policy covers all Hotel associates whether or not they are on Hotel premises, provided that such individuals are conducting Hotel-related business or are participating in a Hotel-sponsored event or function. Any type of harassment, whether engaged in by fellow associates, supervisory associates, or by non-associates with whom the associate comes into contact in the course of employment (e.g., service providers or contractors), violates this policy and will not be tolerated. The Hotel encourages the reporting of all incidents of harassment, regardless of who the offender may be.

Similarly unacceptable under this policy is participation in work-related activities whether in or outside the workplace that are inconsistent with a professional atmosphere that promotes equal employment opportunity or that are exclusionary with respect to any individual's race, color, religion, age, sex, disability, national origin, or any other characteristic protected by applicable law. This includes patronizing, in connection with work-related activities, adult entertainment establishments or facilities that exclude use by any individual on the basis of his or her protected status.

#### Reporting and Investigating a Complaint of Harassment or Sexual Harassment

The Hotel encourages, but does not require, individuals who believe they are being harassed to notify firmly and promptly the alleged offender that his or her behavior is offensive or unwelcome. Whether or not you choose to discuss the incident with the alleged offender, you must report the incident to a member of the management staff, whether it is your direct supervisor, another department management staff or a member of Human Resources. We encourage prompt reporting of complaints so that rapid and appropriate action may be taken. Supervisors and managers are required to report all conduct they believe may violate this policy, whether they directly observe the conduct, or it is reported to them, directly to the Director of HR or his/her designee. Complaints will be accepted orally or in writing.

The Hotel also encourages individuals to report perceived acts of harassment by non-associates, such as clients, vendors, other service providers and any other non-associates. Those reports also should be made to Director of HR or his/her designee.

Early reporting and intervention have proven to be the most effective method of resolving actual or perceived incidents of discrimination and harassment. Therefore, while no fixed reporting period has been established, you are strongly urged promptly to report complaints or concerns so that rapid and constructive action can be taken.

All allegations of harassment will be promptly investigated. The Hotel will endeavor to maintain confidentiality throughout the investigatory process to the extent practical and appropriate under the circumstances. The Hotel, however, has a legal obligation to act on all information it receives if it believes an individual may be engaging in wrongful conduct or violation of law. Individuals involved in the investigation process are expected to provide their full cooperation and to maintain confidentiality.

Our immediate goal is to take prompt remedial action to stop the discriminatory, harassing or offensive conduct if a violation of this policy is found. Our second goal is to assure that the violation will not reoccur. Even where a violation is not found, it may be appropriate to counsel individuals regarding their behavior. At the conclusion of the investigation, the Hotel will advise any individual who has made a complaint under this policy that the investigation has concluded and share other information as may be appropriate under the circumstances.

#### Retaliation

The Hotel will not retaliate in any way against an individual who makes a report of perceived harassment or discrimination or participates in an inquiry of such reports; nor will we permit any associate or supervisory associate to do so. Retaliation is a serious violation of the Hotel's harassment policy and anyone who feels they have been subjected to any acts of retaliation should immediately report such conduct directly to the Human Resources Department. Any person who retaliates against another individual for reporting any perceived acts of harassment will be subject to disciplinary action up to and including termination of employment. The prohibition against retaliation includes, but is not limited to remarks, threats, physical or verbal abuse, any discrimination in terms of pay, advancement, opportunities, termination, job assignments or reassignments, unwelcome or unwarranted transfers, threats of punishment or revenge, actual punishment or revenge (for reporting or assisting in discrimination or harassment inquiries), or other acts that could be interpreted as retaliatory.

#### Disciplinary Action For Violating This Policy

If the Hotel finds that this policy has been violated, the violator will be subject to appropriate disciplinary action. Although the specific corrective and disciplinary action will be within the Hotel's discretion, it may include: verbal or written reprimand; referral to appropriate counseling; withholding of a promotion or bonus; reassignment; temporary suspension; and/or discharge. The Hotel also reserves the right to require counseling, training and/or monitoring as a condition of continued employment even when a violation is not found. In addition, conduct that is unlawful may subject individuals to civil, and in some cases, criminal liability.

## **OPEN DOOR PHILOSOPHY**

We strongly believe in an open-door, open-communication policy and feel it is an important benefit to us, as well as to our associates. All associates should come forward and discuss any concerns or questions they may have with their supervisor, in order to resolve these issues quickly and efficiently. If your immediate supervisor is not able to resolve your concern or question, or if you would prefer not to discuss your issue or concern with your supervisor, you should discuss the issue with the next higher level of supervision. If an associate has or foresees a problem which may interfere with that associate's ability to adequately perform his or her responsibilities, the associate should discuss the matter with his or her supervisor or with the Director of Human Resources.

## **ETHICS STATEMENT**

It is the policy of the Hotel to promote teamwork, cooperation and a productive work environment among associates. In support of this policy, we ask that all associates treat co-workers, supervisors, subordinates, customers and visitors with respect, honesty and cooperation. TIHLV encourages associates to use its open door policy, described above.

## **PERSONNEL INFORMATION**

Any change of name, address, telephone number, marital status, and number of children or other dependents in your family should be reported promptly in writing to the Human Resources Department. This personal information is needed for emergencies, payroll deductions, insurance benefits, social security, etc. This information will not be used as a basis for any employment decision.

In accordance with applicable law, associates may, upon request, inspect certain documentation in their personnel files provided that the requests for inspection are made at reasonable intervals. An associate may obtain a copy of certain documentation in his/her personnel file at his/her own cost. At all times, the personnel file remains Hotel property and may not be removed from the premises.

## **NO SOLICITATION/DISTRIBUTION ON PROPERTY**

In order to maintain and promote sufficient operations, discipline and security, the Company has established rules applicable to all employees who govern solicitation and distribution of written material. All employees are expected to comply with these Company rules.

Any employee who is in doubt concerning the application of these rules should consult with his or her supervisor immediately.

No employee shall solicit or promote support for any cause or organization during his or her working time or during the working time of the employee or employees at whom such activity is directed.

No employee shall distribute or circulate any written or printed material in work areas at any time, or during his or her working time or during the working time of the employee or employees at whom such activity is directed.

Nonemployees will not be permitted to solicit or distribute written material for any purpose on Company property.

## **PAY PRACTICES AND PROCEDURES**

### **ASSOCIATE CLASSIFICATIONS**

All Hotel associates are classified as full-time, part-time, on-call or seasonal. Additionally, each classification is identified as exempt or non-exempt.

Full-time associates are associates that are scheduled to work a minimum of 30 hours per week. Part-time associates are associates that are scheduled to work less than 30 hours per week. On-call and seasonal associates will work an undetermined number of hours each week based on business needs. Unless otherwise specified, the Hotel benefits described in this Handbook apply only to full-time associates.

Associates also are classified as exempt or non-exempt under the Fair Labor Standards Act ("FLSA") and applicable state law. Non-exempt associates are associates who are entitled to overtime pay in accordance with applicable federal and state law. Exempt associates include managers, executives, professionals, and others who are exempt from the overtime pay provisions of federal and state law. You will be informed of your job classifications upon commencement of employment.

### **COMPENSATION ADMINISTRATION**

To attract and retain associates, the Hotel attempts to offer compensation that is competitive with wages paid by other employers in our market and industry.

Generally, associate compensation and performance are reviewed on an annual basis every March. Unless set forth in an individual employment agreement signed by the Managing Director of the Hotel, associates are not guaranteed wage increases of a specific amount or at a specific time. Questions regarding compensation may be directed to your supervisor or the Human Resources Department.

### **TIP REPORTING**

Those associates who rely on tips for income are required by federal law to report tips fully every pay period. Trump Las Vegas will make available a Tip compliance program through the IRS for negotiated hourly tip rates to simplify the reporting and tracking requirements.

For further information regarding the Tip Compliance Program please see the payroll accountant.

## **RECORDING WORK TIME**

The Hotel must keep accurate records of the time worked by each associate. Therefore, non-exempt associates are required to "clock-in" and "clock out" when they begin their shift each day and when they complete a shift. 8 continuous hours or longer are provided with a 30 minute meal break and are required to "clock-in" and "clock out". Your manager will show you the location of the time clock and explain the Hotel's specific rules for recording your start and end times.

Should you for any reason fail to punch your identification/biometric card, report this fact to your Department Manager. Any handwritten entries must be initialed by the associate and the Department Manager.

**All non-exempt associates are required to be in proper uniform and ready for duty when they "clock-in" and also must "clock-out" promptly after completing their shift. Deliberately punching in before being ready for duty or punching out in an untimely fashion may result in discipline, up to and including termination.**

Our workweek begins Sundays at 12:00 am and ends the following Saturday at 11:59pm.

## **HOTEL GATEKEEPER**

All Hotel Associates are required to enter and exit the building through the Associate entrance. Upon entering and exiting the building, each Associate is required to swipe their Trump ID badge at the gatekeeper clock outside the security window. The gatekeeper enables security to quickly ascertain who is in the building in the event of an emergency. The gatekeeper is not linked to the time and attendance clocks.

## **MEAL AND REST PERIODS**

All associates who are scheduled to work for 8 continuous hours or longer are provided with a 30 minute "meal" break that will generally begin no later than halfway through the start of the shift. This is unpaid and Associates are required to clock out and back in for meal periods. Meal breaks are not counted toward worked hours. Employees are to be completely relieved from duty during their meal break. If an employee is required to perform any work duties while on his or her meal break period, the employee must be compensated for the time spent performing work duties. The time spent working during the meal break will be counted toward the total hours worked. All associates are permitted a 10-minute compensable rest period for each 3.5 hour worked. Employees who voluntarily work through their break periods will not be permitted additional compensation. Failure of hourly employees to return on time from breaks or lunch will require management to take disciplinary action and deduct pay for time missed.

## OVERTIME

It is the policy of TIHLV to pay non-exempt associates overtime in accordance with federal, state and local regulations.

All overtime must be either requested by the associate's supervisor or approved in advance by the associate's supervisor. Failure to obtain such approval may result in discipline, up to and including termination.

For purposes of calculating the payment of overtime, "hours worked" refers only to those hours actually worked. Accordingly, vacation time and other paid or unpaid time off will not be considered as hours worked for the purpose of computing overtime.

Exempt associates are expected to work as many hours as needed to perform the work required. Exempt associates are not eligible for overtime pay.

## EXEMPT ASSOCIATE PAY

Exempt associates are paid on a salary basis because they are expected to work as many hours as needed to perform the work required. Because of this expectation, an exempt associate's salary is not subject to reduction because of variations in the quality or quantity of the work performed. Exempt associates will receive their full salary for any week in which they perform any work, without regard to the number of days or hours worked, with the exception of their first and last week of employment. In limited instances, deductions from the weekly pay of exempt associates may be made. Please direct any questions regarding this area to the Human Resources Department.

If an exempt associate believes an improper deduction was taken from his or her paycheck, he or she should contact the Payroll accountant.

## TRANSFERS AND PROMOTIONS

The Company encourages associates to assume higher-level positions or lateral transfers for which they qualify.

Generally associates must be in their job for at least 6 months before applying for a change in a position. In addition, associates must meet all job qualifications and must be in good standing with no active (6 months) disciplinary action on file beyond a verbal warning.

Associates requesting a transfer must complete a Career Opportunity Transfer request form. If transfer is approved, you will serve a new introductory period of 90 days and may be required to submit to drug testing and submission of any cards and/or certification required for the new position. Transferred associates will receive the stated wage rate for the position if selected.

## ASSOCIATE REFERRAL PROGRAM

The Company appreciates recommendations made by existing associates for qualified experienced candidates. If you are an active full-time regular, part-time or on-call associate and you recommend a candidate who is hired by the Company in either a full-time regular, part-time or on-call basis, you may be eligible to receive a referral bonus. In order for the referral payment to be processed in a timely manner, the referring associate's name must appear as the referral source on the referred candidate's current application to the position for which he/she is being hired. A referring associate will be eligible to receive a referral payment of up to \$200.00. Referral payments are processed through payroll and subject to applicable taxes. The referral payment will not be "grossed-up"; applicable taxes will be deducted from each \$200.00 payment. The Company, however, must employ your referral for at least 90 days and be in good standing with no disciplinary action beyond a verbal warning.

This referral bonus may be changed from time to time depending on existing market conditions. The current bonus is up to 200.00 per hire.

PLEASE NOTE: Human Resources Associates, Director Level and above are not eligible for this benefit. Hiring Managers/Supervisors are not eligible for a referral bonus if the position is in their department.

## PAYCHECKS

Paychecks are distributed on a bi-weekly basis. Payroll checks or direct deposit stubs are distributed in sealed envelopes. Live paychecks can be picked up at Security and stubs will be delivered to the department.

Certain deductions will be made from your wages as required by law. These deductions include, but may not be limited to, federal income taxes, other local and state taxes, and social security taxes (FICA).

## DIRECT DEPOSIT

The Hotel offers direct deposit of paychecks to the associate's savings and/or checking accounts. Associates may have their paycheck or a portion of it directly deposited into a designated bank account or credit union account by filling out the Direct Deposit Form available from the Human Resources Department. Once submitted, the direct deposits become effective within two (2) to three (3) pay periods depending upon your financial institution.

## RESIGNATION AND TERMINATION

If you resign from your employment, we ask you to give TIHLV two (2) weeks advance notice. The resignation process includes returning Hotel property, completing forms and generally, participating in an exit interview. Upon resignation, TIHLV may require you to leave TIHLV immediately or at any time during the notice period. **An associate who gives TIHLV proper advance notice of his/her resignation will receive his/her final wages, and payment for any accrued but unused vacation time, on the next regular payday after the last day worked.**

If TIHLV terminates an associate's employment at any time for any reason, TIHLV will pay the associate his/her final wages, and any accrued but unused vacation time, on the day of termination.

## DEPARTURE PROCEDURE

Upon termination of employment, all Associates will be asked to present a completed Associate Clearance Slip to Human Resources. The clearance must be signed by all affected departments, and requires that all Hotel property, keys, security access cards and uniforms are to be returned. Additionally, all outstanding debt owed to the Hotel must be paid upon presentation of the clearance slip, and or associate will need to authorize from final paycheck for debt owed.

## PERSONAL TIME OFF

It is the policy of Trump International to provide associates with the opportunity to take paid time off for rest, recreation, attending to personal business or to be off work because of illness. Paid time off includes vacation, holiday pay and personal days.

All full-time and part-time associates are eligible for paid time off. On-call and temporary employees are not eligible to accrue paid time off.

## HOLIDAYS

At the completion of the 90 day introductory period, Associates are eligible for the following paid holidays:

New Year's Day  
Memorial Day  
Independence Day  
Labor Day  
Thanksgiving Day  
Christmas Day

Exempt/Salaried associates who work on a paid holiday must take the holiday off within 30 days of the holiday they worked.

## VACATION

TIHLV recognizes that associates can work more successfully and efficiently if they periodically take time away from their normal work routine. Accordingly, TIHLV provides paid vacation for full and part-time associates and encourages them to utilize this benefit. Vacation is paid at the associate's rate of pay at the time vacation leave is taken.

Full and part-time associates begin to earn vacation days on their hire date. Vacation days may not be taken until the completion of 90 days of continuous employment.

Associates do not accrue vacation days during any unpaid leave of absence, including FMLA leave. Part-time associates accrue on a pro-rata basis in accordance with the number of days/hours worked per week. Vacation will be based upon the hours associates are regularly scheduled to work during past anniversary year. Vacation will be compensated at regular straight-time rate of pay as of the date vacation is taken. All associates are encouraged to take time off. Associates are responsible for taking time off; days in excess of maximum carry over will be forfeited.

Upon termination of employment, associates will be paid for any accrued and unused vacation days in accordance with applicable law.

Vacation is earned as follows:

Non-Exempt Full-Time and Non-Exempt Part-Time:

Years of Employment	Hours Earned Per 80-hour Pay Period	Max Days Earned Per Year
Year 1	1.5385	5
Years 2-4	3.0769	10
Years 5+	4.6154	15

The maximum number of carryover days during a year is as follows:

Years of Employment	Max Days/Hours Accrued Each Year	Maximum Carryover Days/Hours @ Anniversary Date
Year 1	5 days/40 hours	2 days/16 hours
Years 2-4	10 days/80 hours	5 days/40 hours
Years 5+	15 days/120 hours	7 days/56 hours

Exempt Full-Time:

Years of Employment	Hours Earned Per 80-hour Pay Period	Days Earned Per Year
Year 1	3.0769	10
Years 2-4	4.6154	15
Years 5+	6.1538	20

The maximum number of carryover days during a year is as follows:

Years of Employment	Days/Hours Accrued Each Year	Maximum Carryover Days/Hours @ Anniversary Date
Year 1	10 days/80 hours	5 days/40 hours
Years 2-4	15 days/120 hours	7 days/56 hours
Years 5+	20 days/160 hours	10 days/80 hours

#### **PERSONAL DAYS (4)**

Full-time associates will be eligible for 4 personal days (32 hours) each year in addition to vacation time. Part-time associates will receive pro-rated hours toward personal days based on the number of hours they normally work per week. Personal days will begin accruing on hire date; but, may not be taken until the completion of 90 days of continuous employment. Personal days may be used for extra vacation, illness or any other purpose. Personal days are not vested; therefore, at the time of termination of employment, are not paid out if unused. Personal days not taken prior to next anniversary date will be forfeited.

Associates do not accrue personal days during any unpaid leave of absence, including FMLA leave.

#### PROCEDURE

Associates may not use paid time off until it is earned.

Paid time off must be used in eight-hour increments. When requesting paid time off, the request should be made at least two weeks in advance.

Requests for paid time off with less notice except for illness will be considered only if there is an unforeseen emergency.

Departments may waive the notice period when business is slow and/or when the department is encouraging employees to take paid time off.

Requests for paid time off will be handled on a first-come, first-served basis. Decisions to approve paid time off will be based on the staffing requirements needed to maintain our service levels. If multiple requests for paid time off are received at the same time, preference will be given based on length of service. However, once a paid time off request is approved, it will not be changed because someone with more service subsequently requests that same time off.

#### **BEREAVEMENT LEAVE**

It is the policy of TIHLV to provide eligible associates with time off upon the death of an immediate family member.

After the completion of their 90-day introductory period, full-time associates who experience a death in their immediate family are eligible for up to three (3) paid days off. For purposes of this policy, immediate family member is defined as: spouse, domestic partner, child, mother, father, sister, brother, mother-in-law, father-in-law, grandparent or grandchild.

The associate should contact his/her supervisor to request the time away from work and complete a request for time off form.

TIHLV reserves the right to request documentation of the need for bereavement leave (death certificate, obituary, etc.).

### JURY DUTY

TIHLV considers jury/witness duty a civic responsibility and, in accordance with applicable law, will not discriminate against any associate who is called to serve.

All full-time and part-time associates who have successfully completed their introductory period, who are called for jury service, will be eligible for up to two (2) weeks of jury duty pay per calendar year.

An eligible associate's jury duty pay is the difference between the associate's regular wage and the compensation received as a juror for each working day missed because of jury duty. Regular wage is defined as follows:

- a. For exempt associates, the associate's weekly salary, not to include commissions, bonuses, etc., divided by five (5) constitutes one (1) day's regular wage.
- b. For non-exempt associates, the associate's straight time hourly rate, not to include overtime, commissions, incentive, etc., times the average number of hours worked each day, constitutes one (1) day's regular wage.

Hours served on jury duty are not used in calculating overtime because such hours are not considered "hours worked." Jury duty pay is a benefit, not a legal right.

Any associate called to serve on jury duty must notify his/her Department Head that he/she received a jury summons within ten (10) days of the date of receipt of the summons.

Upon completion of jury duty, the associate must present a statement signed by an officer of the court signifying the times and dates the associate served and the amount of compensation the associate received from the court.

### TIME OFF TO VOTE

TIHLV considers voting in a local, state or national election to be a civic duty.

Associates should be able to vote on their non-working time by voting before or after their shift or by obtaining an absentee ballot. Should an associate be unable to vote during non-working time, upon request he/she shall be given time off, without pay, to vote in accordance with applicable law.

The associate's supervisor shall decide when, during the shift, the associate will be permitted to leave the premises to vote, unless specifically regulated by state law.

To minimize staffing issues, associates must provide advance notification of the need for time off to vote. Advance notification means notice prior to the day of a General or Special Election.

## MILITARY LEAVE

It is the policy of TIHLV to comply with applicable laws regarding military leaves of absence for eligible associates. If an associate is called to active duty or to Reserve or National Guard training, the associate should provide a copy of the associate's orders to the Human Resources Department as soon as possible. The associate will be granted an unpaid military leave of absence for the period of military service or military training, in accordance with applicable federal, state and local law. Upon completion of military duty, eligible associates will be reemployed by the Hotel in accordance with applicable federal, state and local law.

## FAMILY AND MEDICAL LEAVE

It is the policy of TIHLV to create and maintain a positive working environment and to provide a fair and consistent basis for granting a leave of absence to associates.

TIHLV will grant time off, without pay, to all eligible associates for certain medical and family reasons. The Family and Medical Leave Act ("FMLA") allows eligible associates to take up to twelve (12) weeks of job-protected leave per twelve (12) month period.

### Eligibility and Reasons for Taking FMLA Leave

Under the FMLA, an associate who has worked for TIHLV for at least twelve (12) months and has worked at least 1,250 hours during the twelve (12) month period immediately preceding the commencement of the FMLA leave, is entitled to take up to twelve (12) weeks of unpaid FMLA leave per rolling twelve (12) month period, measured backward from the date an associate uses any FMLA leave, for any of the following reasons:

- For the birth of his/her child and to care for his/her child after birth or for placement of a child with him/her for adoption or foster care;
- To care for his/her child, parent or spouse who has a Serious Health Condition or;
- For his/her own Serious Health Condition that renders him/her unable to perform one or more of the essential functions of his/her position.

Married associates who work at TIHLV will be limited to a combined total of 12 weeks of FMLA leave during any 12-month period, if the leave is taken for birth, placement, adoption or care of a child, or to care for a parent with a Serious Health Condition. However, married associates who work at TIHLV are each entitled to the full 12 weeks of FMLA leave during any 12-month period if the leave is taken to care for a spouse or child with a Serious Health Condition.

A "Serious Health Condition" means an illness, injury, impairment, or physical or mental condition that involves either:

- Any period of incapacity or treatment connected with inpatient care (i.e., an overnight stay) in a hospital, hospice, or residential medical-care facility, and any period of incapacity or subsequent treatment in connection with such inpatient care; or
- Continuing treatment by a health care provider which includes any period of incapacity (i.e., inability to work, attend school or perform other regular daily activities) due to:

1. A health condition (including treatment there-from , or recovery there-from) lasting more than three consecutive days, and any subsequent treatment or period of incapacity relating to the same condition, that also includes:
  - treatment two or more times by or under the supervision of a health care provider; or
  - one treatment by a health care provider with a continuing regimen of treatment; or
2. Pregnancy or prenatal care. A visit to the health care provider is not necessary for each absence; or
3. A chronic serious health condition which continues over an extended period of time, requires periodic visits to a health care provider, and may involve occasional episodes of incapacity (e.g., asthma, diabetes). A visit to a health care provider is not necessary for each absence; or
4. A permanent or long-term condition for which treatment may not be effective (e.g., Alzheimer's, a severe stroke, terminal cancer). Only supervision by a health care provider is required, rather than active treatment; or
5. Any absences to receive multiple treatments for restorative surgery or for a condition which would likely result in a period of incapacity of more than three days if not treated (e.g., chemotherapy or radiation treatments for cancer).

"Health care provider" means:

- Doctors of medicine or osteopathy authorized to practice medicine or surgery by the state in which the doctors practice; or
- Podiatrists, dentists, clinical psychologists, optometrists and chiropractors (limited to manual manipulation of the spine to correct a subluxation as demonstrated by X-ray to exist) authorized to practice, and performing within the scope of their practice, under state law; or
- nurse practitioners, nurse-midwives and clinical social workers authorized to practice, and performing within the scope of their practice, as defined under state law; or
- Christian Science practitioners listed with the First Church of Christ, Scientist in Boston, Massachusetts; or
- Any health care provider recognized by the employer or the employer's group health plan benefits manager.

#### Intermittent and Reduced Schedule Leave

FMLA leave may be taken "intermittently" or on "a reduced leave schedule" under certain circumstances. Intermittent leave is FMLA leave taken in separate blocks of time due to a single qualifying reason. A reduced leave schedule is a leave schedule that reduces an associate's usual number of working hours per workweek, or hours per workday.

FMLA leave taken for birth of a child or placement of a child for adoption or foster care may not be taken intermittently or on a reduced leave schedule.

If an associate needs intermittent leave or leave on a reduced leave schedule that is foreseeable based on planned medical treatment for the associate or a family member, including during a period of recovery from a Serious Health Condition, the associate should attempt to schedule treatments so as

to create minimum disruption to his/her department. The Hotel may require the associate to transfer temporarily, during the period the intermittent or reduced leave schedule is required, to an available alternative position for which the associate is qualified and which better accommodates recurring periods of leave than does the associate's regular position. The alternative position must provide equivalent pay and benefits during the temporary assignment.

#### Substitution of Paid Leave

TIHLV requires that all associates substitute their earned and unused vacation days and personal days for any otherwise unpaid FMLA leave. In other words, an associate's earned and unused vacation days and personal days will run concurrently with any unpaid FMLA leave.

#### Request for FMLA Leave

All associates requesting FMLA leave must provide verbal or written notice of the need for the leave to the Human Resources Department. Within five business days after the associate has provided this notice, the Human Resources Department will complete and provide the associate with the Department of Labor Notice of Eligibility and Rights.

#### ASSOCIATE NOTICE REQUIREMENTS

##### Foreseeable Leave

An associate must provide the Hotel with at least 30 days advance notice before FMLA leave is to begin if the need for the leave is foreseeable based on an expected birth, placement for adoption or foster care, or planned medical treatment for a Serious Health Condition of the associate or a family member. If 30 days notice is not practicable, such as because of a lack of knowledge of approximately when leave will be required to begin, a change in circumstances, or a medical emergency, notice must be given as soon as practicable. If an associate fails to give a 30 day notice of foreseeable FMLA leave, the Hotel may delay the taking of the FMLA leave.

##### Unforeseeable Leave

When the approximate timing of the need for FMLA leave is not foreseeable, an associate must provide notice to the Hotel of the need for FMLA leave as soon as practicable. Generally, such notice is expected within no more than one or two working days of learning of the need for FMLA leave, except in extraordinary circumstances where such notice is not feasible.

#### Medical Certification

A medical certification will be required from a health care provider for FMLA leave to care for a parent, spouse, or child with a Serious Health Condition, or for an associate's own Serious Health Condition that makes the associate unable to perform the functions of the associate's job. The associate must provide the required certification within 15 days of the request. Failure to provide certification may result in a denial of continuation of leave. The certification must indicate, among other things, (i) the approximate date the Serious Health Condition commenced, and its probable

duration; (ii) a certification as to which part of the definition of Serious Health Condition, if any, applies to the patient's condition, and the medical facts which support the certification, including a brief statement as to how the medical facts meet the criteria of the definition; and (iii) whether it will be necessary for the associate to take leave intermittently or to work on a reduced leave schedule basis (i.e., part-time) as a result of the Serious Health Condition and if so, the probable duration of such schedule.

The Hotel reserves the right to require an associate to get a second opinion, at the Hotel's expense, from a physician selected by TIHLV. If the opinion of the associate's and the Hotel's designated health care providers differ, the Hotel may require the associate to obtain certification from a third health care provider, again at the Hotel's expense. This third opinion will be final and binding. Associates will be required to submit subsequent re-certifications to support continuing FMLA leave in accordance with applicable law.

Prior to returning to work, an associate on FMLA leave for the associate's own Serious Health Condition will be required to obtain medical certification from the associate's health care provider stating that the associate is able to return to work (i.e., a "fitness-for-duty certificate"). The Hotel may delay job restoration to an associate who fails to provide a fitness for duty certificate.

During FMLA leave, associates must provide their local Human Resources Department periodic reports on their status and intent to return to work.

Associates returning to work from FMLA leave must give at least one week's advance notice to the Human Resources Department prior to returning from leave. Those associates not intending to return to the Hotel upon exhaustion of their leave must also provide the Human Resources Department with at least one week's advance notice of their intent not to return to work.

#### Benefits during Approved FMLA Leave

During an FMLA leave, the Hotel will maintain the associate's coverage under any group health plan on the same terms and conditions as would have been provided if the associate had been continuously working during the entire leave period. The associate's benefits premium will be automatically deducted from any portion of the FMLA leave that is paid from the payroll. During any part of the FMLA leave that is not paid, the associate is responsible for paying the applicable benefits premium to the property by the first of each month. If premium payments are not received in full within thirty (30) days of such date, coverage will end and COBRA coverage will be offered to the associate.

The Hotel may recover its share of health plan premiums paid on behalf of an associate during a period of unpaid FMLA leave if the associate fails to return to work after the associate's FMLA leave entitlement is exhausted or expires, unless the reason the associate does not return is due to (i) the continuation, recurrence, or onset of a Serious Health Condition of the associate or the associate's family member which would otherwise entitle the associate to leave under FMLA or (ii) other circumstances beyond the associate's control.

Associates will not accrue any vacation, sick or personal days while on FMLA leave.

### Job Restoration

Upon returning from an FMLA leave, the Hotel will restore an associate who is not a "key associate" (as described below) to the same position the associate held when the FMLA leave commenced, or to an equivalent position with equivalent benefits, pay, and other terms and conditions of employment.

Notwithstanding the foregoing, an associate has no greater right to reinstatement or to other benefits and conditions of employment than if the associate had been continuously employed during the FMLA leave period; if employment would have been terminated anyway, the associate has no right to reinstatement. For example, if an associate's position was eliminated during the associate's FMLA leave, and the associate would have been terminated even if the associate had been continuously employed, the associate would not have a right to reinstatement or to other benefits and conditions of employment.

It may be necessary for an associate to take more leave than originally anticipated. Conversely, an associate may discover after beginning leave that the circumstances have changed and the amount of leave originally anticipated is no longer necessary. An associate must provide the Hotel reasonable notice of such changed circumstances where foreseeable.

### Key Employees

The Hotel may deny job restoration to certain highly paid "Key Employees" if such denial is necessary to prevent substantial and grievous economic injury to the operations of the Hotel. The Hotel will inform you if you are a Key Employee.

### **UNPAID PERSONAL LEAVE**

The Hotel may, in its sole discretion, grant an eligible associate an unpaid personal leave of absence for special reasons. Requests for unpaid personal leaves of absence should be submitted to the Director of Human Resources for review and approval.

### **ASSOCIATE BENEFITS**

As part of TIHLV's comprehensive benefits program, the Hotel offers group medical, life, prescription, employee assistance plan, dental, vision and short-term disability insurance plans to full-time associates. Additional voluntary supplemental benefits are available for purchase through payroll deduction including long-term disability and spouse and dependent life insurance. For eligibility requirements and coverage benefits, please see the Human Resources Department.

### **ASSOCIATE ELIGIBILITY**

Benefit plan details, including all terms and conditions and associate eligibility requirements, are governed by the applicable plan documents and relevant summary plan descriptions. Copies of these materials are available from the Human Resources Department. Unless otherwise specified, the benefit programs described below apply only to eligible full-time associates. If you have

questions about eligibility and/or benefit coverage, please contact the Human Resources Department.

The Hotel, in its sole discretion, has authority to make all decisions regarding the availability of benefits, eligibility for benefits, and who provides Hotel benefits. The Hotel has the power and authority to construe and interpret the terms of the plans and to make all factual determinations regarding the plans and the administration of the plans. The Hotel also has the right to amend or terminate such plans at any time with or without notice, including, among other things, the right to change the terms of eligibility and benefits provided. In the event that there are any conflicts between the actual plan documents and the descriptions provided in this Handbook, the actual plan documents control.

#### **CONTINUATION OF GROUP HEALTH INSURANCE (COBRA)**

Pursuant to the Consolidated Omnibus Reconciliation Act of 1986 ("COBRA"), if you are an associate (or dependent or spouse of an associate) participating in the benefit plan of the Hotel, you have the right to choose to continue your group health coverage temporarily at your own expense if you lose your group health coverage because of a "qualifying event," including a reduction in your hours of employment, termination of employment, loss of dependent status or divorce. You will be provided with additional information when you become a participant in the group health plan. Associates may also, in certain circumstances, have the right to convert their group health coverage to an individual policy. For further information, please see the Human Resources Department.

#### **401 (K) RETIREMENT SAVINGS PLAN**

TIHLV offers a 401(k) Retirement Savings Plan to eligible associates through Fidelity Investments. The plan offers a 4 year vesting. Eligibility for participation is the first of the quarter following a 90 day waiting period. For further details about eligibility, enrollment and benefits of the 401(k) Plan, please see the Human Resources Department.

#### **WORKERS COMPENSATION**

TIHLV maintains workers' compensation insurance as required by law. Associates are required to report promptly all job-related injuries, illnesses and accidents to their supervisor and security, or, if their supervisor is unavailable, directly to Security. A report is always required whether first aid only and/or medical care is required. Failure to report promptly any injury or illness may result in loss of benefits and or discipline.

Whenever an associate is involved in a work-related accident resulting in injuries or significant property damage, the Hotel will require the associate to submit to testing to determine the presence of any illegal drugs and/or unauthorized alcohol in the associate's system.

Leaves of absence taken in connection with a workers' compensation injury/illness shall run concurrently with any FMLA leave entitlement. Upon written request, the Company will allow associates to use accrued paid time to supplement any paid disability benefits.

## WORKPLACE SAFETY

It is the policy of TIHLV to provide the safest possible work environment for our associates. In the interest of associate safety we have instructed all supervisory personnel to look for, record and correct all unsafe conditions and/or acts committed by persons under their supervision.

We need your help in eliminating unsafe conditions, potential hazards, and acts. Become aware of the hazards that lead to injury and waste and think about your own safety and well being, as well as that of your fellow associates. Report any hazard or potential hazard to your Department Manager. If you have any questions, contact your Department Manager.

## WORKPLACE RULES & ASSOCIATE CONDUCT

It is the policy of TIHLV to conduct business with honesty and integrity and in accordance with proper legal and ethical standards. Every associate occupies a position of trust. In varying ways, each associate represents TIHLV in his or her interactions with guests, suppliers, other associates, government agencies, investors and the general public.

TIHLV will operate in a manner that is socially, legally and ethically responsible. TIHLV holds this expectation for all of its associates and expects each associate to behave in a manner that will enhance TIHLV's reputation.

TIHLV's reputation and success are determined by the service we provide and by the associates who represent us. Regardless of whether you are interacting with guests, fellow associates, or the public in general, the manner in which you conduct yourself should reflect upon the standards of professionalism, quality, and service embraced by TIHLV.

Although there is no way to identify every possible violation of standards of conduct, in order to provide a safe and efficient environment for our guests and associates, certain policies, processes and practices have been established. The purpose of these rules is to set guidelines in helping associates work together according to the standards TIHLV endorses for efficient and unmatched service. Associates who fail to abide by these rules will be subject to disciplinary action. **These rules are in no way intended to be comprehensive and do not alter the at-will relationship between the associate and TIHLV.**

While maintaining the right to take whatever measures are deemed necessary according to the specifics of any given situation, the following progressive steps are taken to improve deficiencies in job performance or unsatisfactory conduct. However, depending on the gravity of the situation, steps may be skipped. It is not necessary to begin the process again for each infraction because the infractions are not the same. As a rule, discipline is to remain "active" for a period of six months.

## PROGRESSIVE DISCIPLINE

**Record of Verbal Coaching** - A documented coaching which describes the deficiency and possible solutions or directions for correction.

**1<sup>st</sup> Written Corrective Action** The supervisor gives a written warning which describes the deficiencies and gives directions for correcting the problem. The associate should identify what he/she must do differently and make a commitment to do so.

**2<sup>nd</sup> Written Corrective Action** – The supervisor gives a written warning which describes the deficiencies and gives directions for correcting the problem. The associate should identify what he/she must do differently and make a commitment to do so.

**Suspension** – The employee is given time off without pay, a written description of the problem and directions for correcting the problem. The purpose of a Suspension is to emphasize the seriousness of the situation and clearly communicate that the associates' job is in jeopardy.

**Suspension pending Investigation** – Whenever possible, Human Resources must be consulted before placing anyone on suspension pending investigation.

The associate is placed on Suspension Pending Investigation when termination of employment is a possibility. Prior to the issuance of the disciplinary form, the Department director or their designee should review the situation giving rise to this level of discipline, along with any and all supporting documentation, with Human Resources. If the investigation determines that the suspension was not warranted, the associate is paid for any lost days of work.

**Termination** – Human Resources must be consulted prior to all termination decisions- no exceptions.

Some rule infractions are more serious than others, and the level of corrective action is related to the seriousness of the offense. The following provides guidelines on what is normally the appropriate level of corrective action for each infraction. These are guidelines designed to create greater consistency, but they are only guidelines. In addition, nothing in this policy is intended to alter Trump's status of employment policy, nor is it intended to create a contract of employment.

Corrective action levels may differ due to:

- The details and seriousness of the infraction (i.e. the associate was five minutes late or three hours late);
- Previous performance record and length of service;
- The length of time since previous corrective action discussions.

Keeping in mind that these are only guidelines, the following is designed to give associates fair notice of which infractions can lead immediately to serious consequences.

### **VIOLENCE IN THE WORKPLACE**

TIHLV is concerned about the increased violence in society, which has also filtered into many workplaces throughout the United States; and has taken steps to help prevent incidents of violence from occurring at our Hotel. In this respect, it is the policy of the Hotel to expressly prohibit, and not tolerate, any acts or threats of violence by an associate against other associates, guests, or visitors on the Hotel's premises at any time or while they are engaged in business with or on behalf of the Hotel on or off of the Hotel's property. Any reports of violence or threats will be promptly and thoroughly investigated. Where warranted, as determined by the Hotel in its sole discretion, appropriate action will be taken.

### **DRUG AND ALCOHOL POLICY**

It is the policy of TIHLV that we are committed to maintaining a safe, healthy, drug and alcohol-free work environment. Every candidate for employment will be required to undergo pre-employment drug screening except where prohibited by applicable law.

As a condition of employment, associates are prohibited from:

- The use, consumption, possession, distribution, dispensation or sale of illegal drugs or drug paraphernalia on Hotel property or while on Hotel business, in Hotel supplied vehicles or during working hours (for purposes of this policy, illegal drugs include drugs that are not legally obtainable, as well as drugs that are legally obtainable, but used for illegal or unauthorized purposes);

This policy applies to all categories of associates and all candidates for employment with the Hotel. This policy also applies to those persons employed by contractors providing services to TIHLV. Individuals who violate any provision of this policy may be subject to disciplinary action, up to and including termination.

TIHLV will handle any records that pertain to illegal substance abuse as confidential in accordance with applicable law. TIHLV's intent is to maintain confidentiality, to the extent possible, in matters pertaining to the enforcement of this policy.

Any associate experiencing a problem with drug or alcohol abuse or dependence is encouraged to seek assistance through the Employee Assistance Program (EAP). TIHLV will not use any associate's decision to voluntarily seek professional assistance as the basis for disciplinary action.

### **PUNCTUALITY & ATTENDANCE**

It is the policy of Trump Int'l Hotel Las Vegas that Associate schedules are developed to provide optimum coverage and provide excellent guest service. Attendance is an essential function of every job. Excessive absenteeism and chronic tardiness place an unfair burden on co-workers and make it difficult to maintain excellent service.

The following is provided as a guideline relative to attendance:

An associate must be at his/her workstation at the time he/she is scheduled to work and on time once work breaks and meal periods are over.

If an associate will be late reporting for work, the associate is to call his/her supervisor promptly to explain the reason. The associate is expected to call as soon as possible after realizing he/she will not be on time. If the supervisor is not available, the associate is to contact the person "next in charge" in the department at the time. If there is no person in charge in the department, the associate should follow the procedures set by their department and if needed, contact the hotel operator to have the department manager paged.

If an associate is not able to work as scheduled, a minimum of four hours' notice is required.

An associate whose duties do not require him/her to leave the building must get permission from his/her supervisor in order to leave the building during his/her unpaid meal period. An associate must get permission from his/her supervisor to leave his/her work area, except for authorized breaks. Associates are to take breaks only in authorized areas.

An hourly associate who receives permission and leaves the building during his/her shift or meal break period must clock out and back in.

The following policy is designed to provide fairness and equity in dealing with absenteeism and lateness problems.

A corrective action procedure will be initiated when associates exceed the acceptable limits of absenteeism, which is defined as follows:

TARDINESS or EARLY OUTS	Points
Late, but reports to work within 15 minutes after beginning of shift	½
Late, but reports to work 15 minutes or later after beginning of shift (Thereafter, 1 point is added for every hour the associate is late)	1
Supervisor is notified in advance that the associate would be late. (The supervisor will exercise discretion as to how late he/she will allow an associate to report before they are to be replaced).	½
Reported to work, but left early after working less than 4 hours (not an early out, but a request to leave early due to illness or for personal reasons)	1
Reported to work, but left early after working 4 or more hours (not an early out, but a request to leave early due to illness or for personal reasons)	½

ABSENCE	Points
No Call/No Show – Grounds for immediate termination (unless valid grounds can be substantiated)	10
Failed to report to work or to notify supervisors of absence 2 or more hours after shift starts (Unless valid grounds can be substantiated)	10
Called after shift begins (within 2 hours) to notify supervisor of absence	4
Called to notify supervisor of absence before shift started but with less notice than the required 4 hour notice	2
Called to notify supervisor of absence in accordance with required 4 hour notice	1

MISCELLANEOUS	Points
Failure to clock in or out as required	½

Managers are responsible for maintaining accurate attendance/punctuality records by using the Associate Attendance Calendar. **It is the associate's responsibility to keep track of their own attendance points.**

Consecutive absences due to same illness/injury will be recorded as "one occurrence," regardless of the number days (excluding leave of absences). If the absence due to illness exceeds three days, a

doctor's note may be requested in order to return to work. All associates are required to call their departments on each day they are going to be absent in accordance with the department's call in policy.

Patterned attendance problems (calling out sick after points drop off, leaving early, arriving late or calling out sick prior to days off, leaves or PTO) will be documented and addressed through corrective action.

Consideration will be given to circumstances surrounding an associate's absence. For example: absence due to death in the immediate family, military obligation, jury duty, FMLA leave, or work-incurred injury will not be recorded as an absence for purposes of disciplinary action under this Policy. There may be other justifiable reasons as well.

The Company reserves the right to require a doctor's note containing specifics regarding the reasons for an absence and the dates of treatment to confirm illness or injury in cases in which the pattern or practice of absence leads to a suspicion of abuse.

Action to be taken:

- 4 points Documented Verbal coaching
- 5.5 points First Written Correction
- 7 points Second Written Correction
- 8 points One (1) Day Suspension
- 10 points Termination Level- Contact HR and place associate on Suspension Pending Investigation

**If an associate has a serious health condition which is causing them to miss work, he/she should contact their physician to see if they qualify for a leave of absence under FMLA (Family Medical Leave Act). Any further questions regarding this area should be directed to the Human Resources Department.**

**POINT REDUCTIONS**

An associate will have his/her points reduced as follows:  
One point (-1) subtracted from the total for no tardiness, absences or missed clock in/out for each 30 days from the date of last point(s) issued.

**ATTENDANCE POLICY DURING PEAK PERIODS**

During peak periods we need everyone who is scheduled to work to be present in order to provide quality service to our guests. When associates call in sick or arrive tardy during these peak periods it has a serious impact on co-workers and on our quality of service. Different departments may have

different peak days. To insure the best possible service, each department will have the opportunity to identify its own peak periods. During these peak periods points for absences or tardiness will be doubled. Departments are responsible for posting, within a reasonable time frame, the peak period days for each month on the department scheduling bulletin board. **Managers should continue to give consideration to circumstances of the associates absence or tardiness that are caused by emergencies or are out of the associates' control.**

#### **HOTEL PROPERTY**

All associates are responsible for helping to prevent the loss, damage, misuse, or theft of Hotel property. Hotel property in whatever form it takes, i.e. uniforms, furniture, tools, office equipment, and other furnishings, should be protected and used only for Hotel business. Except under approved Hotel procedures, Hotel property should not be used for personal benefit, taken, sold or given away. Associates who become aware of damage or theft of Hotel property should report it promptly to the Human Resources Department.

#### **PERSONAL PROPERTY**

For your protection, associates are discouraged from bringing personal luggage, parcels or bags to work, and are advised to keep any personal belongings they carry with them to a minimum. Remember to exercise common sense, and always take steps to safeguard your purses, wallets and other personal property at all times. The Hotel cannot assume the responsibility for the loss or theft of any personal belongings. Associates are advised not to carry large sums of money or other valuables with them when at work.

#### **PERSONAL PHONE CALLS**

Generally, associates may not receive or make personal phone calls while on duty except in emergency situations. Personal phone calls should be made only during authorized breaks and meal periods in designated break area. Abuse of the Hotel's phone system for making or receiving personal telephone calls is grounds for discipline, up to and including termination. Generally, associates are prohibited from using or carrying personal pagers, cellular phones, or electronic game devices while on duty.

#### **ASSOCIATE PRIVACY**

The Hotel reserves the right to look through its own premises, and property including property issued to associates for their use, such as desks, lockers, cubbies, workspaces, or Hotel vehicles, regardless of whether those premises or property are issued for any associate's sole use.

#### **CONFIDENTIALITY POLICY**

All associates are expected to work in the best interest of the Hotel and to further the goals and aims of the Hotel. Therefore, associates are prohibited from engaging in any activity or conduct both within and without the property that is contrary to the economic, business, or public interest of TIHLV. Failure to abide by this policy will result in discipline, up to and including termination.

All associates are required to respect and maintain the confidentiality of all information, including but not limited to, business documents, reports, records, files, correspondence and communications (including electronic message), to which the associate has access in carrying out responsibilities and duties of employment. None of the aforementioned may be copied or removed from the Hotel's premises or computer systems. All associates are expected to show the highest regard for the privacy of each guest and will strictly observe the confidentiality of records and other information associated with the Hotel's guests.

Confidentiality is essential to the sound relationship with our guests; it is also a legal and ethical matter of the utmost importance. All associates will be careful to discuss confidential information only when necessary and appropriate in the context of business operations. Care should be taken to prevent confidential discussions from being overheard by other guests or associates who are not involved. Any discussion of confidential information outside the property or similar violation of these standards may result in discipline, up to and including termination

#### **TOBACCO AND SMOKING POLICY**

It is the policy of TIHLV to promote the health, safety and comfort of all associates and guests. Associates who smoke cigarettes will only be permitted to do so on their breaks and meal periods outside of the Hotel, in areas designated by the Department of Human Resources which are totally unseen by guests.

#### **LOST & FOUND**

Items found on Hotel property must be turned in to the Housekeeping Department (with the exception of items found in suites, which should be turned over to the Floor Manager). Every reasonable attempt will be made to return items to the rightful owner. Items will be tagged and kept for thirty (30) days. Items unclaimed after 30 days will be given to the person who found and "claimed" the item. Found items such as liquor, medicine and any other items deemed harmful to an Associate will not be returned.

#### **LIQUOR LIABILITY**

Hotel associates are directed to follow state laws concerning the sale of alcoholic beverages. Associates are directed to monitor closely any person or guest who has been drinking or appears intoxicated. Intoxicated persons should not continue to be served, and the manager on duty should be notified immediately. No liquor is allowed to leave the premises. Should you see a guest leaving with an alcoholic beverage, politely ask them to drink or dispose of the beverage prior to leaving the Hotel's property.

#### **SECURITY/KEYS**

Keys will be issued to those associates whose duties require them to have keys. Associates will be required to return issued keys when the nature of their jobs changes or when their employment

terminates. All keys will remain the property of TIHLV, and should not be loaned to another associate under any circumstance. If keys are lost, misplaced, or stolen, the associate should report the occurrence immediately so that new keys may be issued and the designated locks changed or re-keyed. Unauthorized duplication of keys may subject the associate to discipline, up to and including termination.

### **FIRE & MEDICAL EMERGENCY PROCEDURES**

In the case of a fire or medical emergency, it is important to call "7979" as soon as you can safely do so. Once the proper authorities have been notified, if possible to safely do so, inform the Managing Director, Manager on Duty, or your Department Manager of the situation at hand.

Yo, Eleuteria Blanco, siendo primero debidamente juramentada, declaro lo siguiente:

**He sido asegurada por un agente de la Junta Nacional de Relaciones de Trabajo (NLRB) que esta Declaración Confidencial de Testigo será considerada un documento confidencial de ejecución de ley por NLRB y no será revelado a menos que sea necesario producir esta Declaración Confidencial de Testigo con relación a un procedimiento formal.**

Yo resido en 3125 W Warm Spring Road, Apt 202, Henderson, NV 89014.

Mi número de teléfono móvil (incluyendo código de área) es 702-689-0434.

Yo no tengo una cuenta de correo electrónico.

Yo estoy empleado por Trump Ruffin Commercial LLC haciendo negocio como Trump International Hotel (la Empresa).

1. He proporcionado una declaración antes, y la incorporo por referencia aquí dentro.
2. Aproximadamente el 20 de junio del 2015, yo estaba en el EDR, o el comedor, con Patty y Eva y otros compañeros de trabajo. Estuvieron como 15-20 empleados en el comedor. Yo

estaba repartiendo volantes de la Unión. Yo estaba en mi break. Un guardia de seguridad, que se ~~llama Danny~~ *se encontraba comiendo su nombre es DANNY* quizá, estaba comiendo en una mesa cerca de unos dos compañeros y me dijo en inglés que yo no podía hacer esto *Emp de repartir Flyers* porque era propiedad privada. Le dije en español, perdón, estoy participando en la campaña de la Unión, y estoy haciendo actividades de la Unión.

El guardia sí habla un poco de español. Yo seguía repartiendo los volantes y nadie me dijo que no podía seguir repartiendo volantes, y nadie me detuvo.

3. A partir de esa fecha, ningún guardia me ha vuelto a decir que no se permite repartir volantes en el EDR. Sigo participando en actividades por parte de la Unión.

2. Approximately the 20 of June 2015, I was in the EDR, or the dining room, with Patty and Eva and other coworkers. They were about 15-20 employees in the dining room. I was passing out flyers for the Union. I was on my break. A security guard, whose name is Danny maybe, was eating at a table close to two coworkers and told me in English that I could not do this, hand out flyers, because it was private property. I told him in Spanish, pardon, I am participating in the campaign of the Union, and I am doing activities of the Union. The guard does speak a little Spanish. I continued handing out the flyers and no one told me that I could not continue handing out flyers, and no one stopped me.
3. A part from this date, not one guard has returned to tell me that it is not permitted to hand out flyers in the EDR. I continue participating in activities on behalf of the Union.

"This Hotel has been able to offer an environment of respect and camaraderie. In general, we all get along very well. Unfortunately a few have made it their goal to disrupt our lives and change things for the worst.

Throughout the years, as I have faced difficulties, I have been able to able to work together with management to resolve issues in a positive way. All this without having a union stuck in the middle or having to pay dues. I believe strongly that many of the good things that we now enjoy will be lost if a union came in. Just look around how things have changed for the worst since this union issue began. For everyone's sake, please vote NO"

Ticia Lewon – Housekeeping Dept.

"Este Hotel ha podido ofrecer un ambiente de respeto y camaraderia. En general, todos nos llevamos muy bien. Desafortunadamente unos pocos han hecho su proposito el de contrariar nuestras vidas y cambiar hacia lo peor las cosas.

A traves de los años yo he confrontado dificultades y he podido trabajar junto con la gerencia en resolver problemas de una manera positiva. Todo esto sin tener una union atorada en el medio o sin tener que pagar cuotas. Yo creo fuertemente que muchas cosas buenas que gozamos ahora seran perdidas si una union entra. Simplemente miren a su alrededor como las cosas han cambiado para lo peor desde que el asunto de la union comenzo. Por el bien de todos, por favor voten NO"
