UNCLASSIFIED//~~LES~~

Title: (U//~~LES~~) Opening EC - [Redacted] BAMN - BY ANY MEANS NECESSARY

Re: [Redacted] 10/20/2016

(U//~~LES~~) Captioned investigation is being initiated on BAMN (By Any Means Necessary), a domestic group, based on information that on June 29, 2016, members of BAMN attended a Ku Klux Klan rally and assaulted a Nazi supporter. [Redacted]

b6 -1  
b7C -1

**(U) CDC APPROVAL:**

(U) Field Office CDC has reviewed and concurred with the opening of this investigation. The investigation will be reviewed by the CDC at least semi-annually.

**(U//~~LES~~) SUMMARY OF PREDICATION:**

(U//~~LES~~) In 2016, law enforcement learned that the Ku Klux Klan would be holding a rally at the State Capitol Building on June 26, 2016. The KKK consisted of members that some perceived to be supportive of a white supremacist agenda. In response, a number of groups mobilized to protest the rally. Flyers were posted asking people to attend in order to shut down the rally.

(U//~~LES~~) On June 26, 2016, the rally took place as scheduled. Counter-protesters were also present, and violence broke out amongst the crowd. Several people were stabbed and hospitalized; others suffered more minor injuries.

(U//~~LES~~) The event attracted widespread media attention, and several persons at the event were captured on video. [Redacted]

[Redacted]

[Redacted]

The media also

Title: (U//~~LES~~) Opening EC - [Redacted] BAMN - BY ANY MEANS NECESSARY

Re: [Redacted] 10/20/2016

[Redacted]

b6 -1  
b7C -1

(U//~~LES~~) Special Agent [Redacted] researched BAMN and discovered that it was a national organization. The group had been active in the Berkeley, California and Oakland, California areas. SA [Redacted] researched some historical activity of the group by reviewing police records and open source information from various events. In some, the group members lawfully exercised their First Amendment rights by engaging in peaceful protests. In other instances, the members engaged in other activity by refusing to disperse, trespassing in closed buildings, obstructing law enforcement, and shouting during and interrupting public meetings so that the meetings could not continue.

b6 -2  
b7C -2

(U//~~LES~~) SA [Redacted] acknowledges that individuals and groups named in this Opening Electronic Communication have been identified as participating in activities that are protected by the First Amendment to the U.S. Constitution. Their inclusion here is not intended to associate the protected activity with criminality or a threat to national security, or to infer that such protected activity itself violates federal law. However, based on the alleged actions of BAMN

b6 -1, -2  
b7C -1, -2

[Redacted]

[Redacted] it is possible the actions of certain BAMN members may exceed the boundaries of protected activity and could constitute a violation of federal law. In the event no such violent activity occurs or is discovered, FBI policy and federal law dictates that no further record be made of the protected activity.

**(U) POTENTIAL VIOLATIONS OF FEDERAL LAW**

(U) Potential violations of federal criminal statutes include:

Title 18 U.S.C. 241 - Conspiracy Against Rights

Title 18 U.S.C. 2101 - Riots

## Yvette Felarca of BAMN on shutting down KKK/Nazi rally in...

On

Sunday, June 26, the fascist Traditionalist Workers' Party, the Golden State Skinheads, and other neo-Nazi/KKK supporters are planning to hold a public recruitment rally on the West Steps of the State Capitol in Sacramento to launch a campaign of racist terror in California. They are not rallying to merely talk and listen to each other and then go home. They want to use this rally to recruit new members and organize for racist attacks, beatings, murders and genocide. Their immediate aim is to capitalize on the growing political polarization in this nation, most clearly expressed in the presidential campaign of Republican candidate Donald Trump, to turn back the advance of the new civil rights and youth movement that has electrified California and inspired the nation. These racist, would-be murderers have no right to organize their racist violence in California or anywhere. Their rally must be stopped by any means necessary.

Donald Trump's campaign for president on a platform of open racism, xenophobia, and national chauvinism has given a green light to neo-Nazi/KKK political forces. The far-right wing is on the ascension – they feel it, they're emboldened, and they're looking to use Trump's campaign as a pole of attraction and venue to organize their political program of racist violence on a mass scale and to an audience previously unavailable to them. This has led directly to an increase in racist attacks against Latina/o, black, immigrant and Arab communities across the country.

While Trump's openly racist positions on immigration, especially against Latinas/os and Muslims, represent a new and dangerous level of extreme right-wing demagoguery, the Democrats hardly utter a peep in opposition, while carrying out their own national policies against the Latina/o and immigrant communities – not in words, but in practice – with the continued raids and deportations and attacks on public education. Only an organized, mass militant, integrated youth-led movement that is politically independent can mobilize the social forces necessary to defeat the Nazis/KKK, stop the rise of "Trumpism," and finally put this nation on the road to progress once more.

This demonstration will be an opportunity for Latina/o, black, anti-racist white youth and California's strong and proud majority-minority communities to unite to send a loud and clear message to the Nazis/KKK and their supporters: we will not tolerate organizing of racist and bigoted violence. All who oppose racist, anti-immigrant, anti-Muslim, anti-Semitic, anti-gay and other bigoted attacks should mobilize to show their opposition. A determined opposition prepared to assert our collective power through mass militant direct action can shut these Nazis down and deal the fascists and white-supremacists a decisive tactical defeat.

### NO "FREE SPEECH" FOR FASCISTS!

Latina/o and black youth have taken and led angry, direct action of self-defense against Trump supporters' violent provocations at his political rallies in California and across the nation. The Latina/o communities of San Jose, Costa Mesa, Burlingame, Anaheim, as well Chicago, New Mexico, and Virginia have come out strong and taught racist and fascist Trump supporters about the painful consequences of openly supporting Trump and his political platform of bigotry. Our movement cannot allow his Nazi/KKK supporters to grow in size and number.

"Free speech" does not mean freedom to organize for racist terror, lynchings and genocide. Granting the Nazis a rally permit and providing them with thousands of dollars worth of police protection only perpetuates the long and sordid history of government officials citing "free speech" to protect racists by prosecuting black, Latina/o, other minority and anti-racist protestors who speak up against racism. It is outrageous and despicable that the City of Sacramento is planning to roll out the red carpet and spend huge sums of taxpayer money to ensure that the Nazis are able to rally while at the same time city and state workers are constantly being threatened with furloughs, layoffs and cut backs. If not for the protection of the Sacramento police and county sheriffs, these murderous scum wouldn't get out of their cars – let alone hold a recruitment rally – when confronted with a massive, militant counter-protest. Whether Governor Brown or Mayor Johnson decide to protect the Nazi/KKK rally or not, we must mobilize in full force to stop their campaign to expand Jim Crow and build a right-wing racist, anti-immigrant movement in the United States.

### WHY PROTEST THE NAZI SCUM?

Some people will say: "Ignore them, stay home, they are too small to be a threat, protesting against them will give them the publicity they want", etc. Those encouraging this kind of "do-nothing" strategy are either naive fools or deceitful traitors. Ignoring the Nazis/KKK gives them an open platform to recruit, consolidate their organization and build their campaign. If we do not organize to protest at the same time and same place as the Nazis/KKK, then the only people in attendance will be those who are considering joining their ranks. We must be there to make sure that anyone sympathetic to their message is unable to hear it and has an extremely discouraging day.

By having a massive anti-racist, anti-fascist protest at the State Capitol on June 26, we will make sure that any publicity or news coverage of the day will show thousands of Latina/o, black, Asian, Arab and anti-racist white youth fighting for progress. If we stay home and allow them to have an open platform, any media coverage they receive will portray an unopposed successful event at which a small group of determined, proud racists were able to boldly assert themselves, recruit new members and advance a new campaign for racist terror and ultimately genocide. This is a scenario we cannot allow to happen. Instead, the racists must be sent scurrying for their cars as they are confronted with the strength of California's powerful Latina/o and black communities. That is not the kind of publicity the Nazis want.

**BUILD THE INDEPENDENT POWER OF THE NEW CIVIL RIGHTS AND IMMIGRANT RIGHTS MOVEMENT!**

The growing polarization and ongoing economic and social crisis will continue to bring new forces into struggle. In California, more than any other state in the nation, our new civil rights and immigrant rights movement has shown that we have the social power to change everything. Los Angeles had the largest civil rights demonstration in the country's history, 2 million people shutting down business as usual during the 2006 movement for immigrant rights. Black youth led the mass, militant uprising in Ferguson, MO after the police murder of Michael Brown and inspired a wave of demonstrations and protest action against racism and racist police murder and brutality that swept the nation.

The Latina/o and immigrant communities of California are the most dynamic political force for social progress and equality today. Our movement desperately needs a new generation of fighters and activists to come forward now and develop as independent political leaders for the movement. By learning from struggle, drawing political lessons from history, and utilizing the method and tactics that assert our collective power, a new generation of leaders can ensure our movement's victory.

The fascists exploit the discontent and economic hardship experienced by white, downwardly mobile middle-class and working-class youth. They offer fake, radical sounding solutions to the growing problems of unemployment, poverty and economic insecurity in the U.S. today.

The fascists scapegoat and call for attacks on the immigrant, Latina/o, black, Muslim, Jewish, and LGBT communities and against the trade unions, leftists, and other progressive organizations.

To this torrent of cynical racist lies, our integrated civil rights and immigrant rights movement must counter pose real, working-class solutions to the economic and social crisis. Latina/o, black, Native American, Arab, Asian, and white, immigrants with and without papers, we are ALL Californians! Open the borders! Full citizenship rights for all undocumented immigrants, refugees, and asylum-seekers now! Build an independent, integrated, mass militant movement of the oppressed to fight racism, sexism, anti-LGBT and all forms of bigotry, national chauvinism, and xenophobia.

Our aim on this day must be to build our new movement. We must take matters into our own hands. Some will want to use this day simply as a means to contribute to the votes of the Democratic Party, whether that be for Hillary Clinton or Bernie Sanders. We cannot be distracted by that. Only the independent power of our movement can defeat the far-right forces of reaction. We need to make clear to every fascist and fascist-sympathizer promoting white supremacy and racist violence that they will face militant, organized, and determined opposition. This is our fight to make and our future to win.
